Re: Firefighter Engineer Stephen T. Colvin

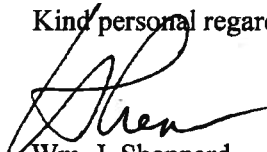

Dear Mr. Keane:

In connection with the above-captioned firefighter, I want to advise you that we have continued to work diligently with the Fire Department and the Firemen's Union in order to obtain relief for Mr. Colvin.

Accordingly, I respectfully request a one-month extension of time until March 27, 2015, before your Board takes action in this matter.

I look forward to hearing from you. Thank you for this and other past courtesies.

Kind personal regards,

Wm. J. Sheppard
