Brady Rigdon, Chairman
Subject: Disability Retirement Application for Stephen Colvin

On the January 13, 2016, the Advisory Committee was presented with an application for disability retirement from Stephen T. Colvin, Firefighter Engineer.

Upon review of the application; a letter from our Medical Director, Scott Baker, with his review and recommendation; a clarification and recommendation from Bob Klausner; a briefing by Mr. Colvin and his Attorney, William Sheppard who attended the meeting; and based on further discussion by the members of the Advisory Committee, a motion was made by the Advisory Committee to approve the disability retirement application for Stephen Colvin with the stipulation that a payroll deduction be established to re-pay the temporary disability balance owed from a prior denial of disability benefits.

This is now being referred to the Board of Trustees for final review and approval.
