Firm Description

After 15 years at Hazlehurst & Associates, Inc., heading the multiemployer and public pension groups, Jarmon Welch formed his own company Pension Board Consultants, Inc., (PBC) on June 1, 1992. PBC is one of only a handful of firms in the country specializing in these plans. We offer the same full range of services as a larger actuarial firm, with the added focus, incentive, and commitment that only a smaller specialized firm can provide.

PBC has established working relationships with several Atlanta law firms specializing in benefits. We lease the computer systems of Lynchval Systems Worldwide, Inc., a leader in pension software.

Jarmon Welch, President, is an Associate, a member of the Society of Actuaries, an Enrolled Actuary, and a Member of the American Academy of Actuaries. Jarmon has 50 years of pension consulting experience. He reviews all our reports and significant correspondence prior to release.
