

ONE THING I *love* ABOUT JACKSONVILLE

#MYONETHING CITY OF JACKSONVILLE #ILOVEJAX

What's your one thing?

With the **My One Thing** campaign, citizens in neighborhoods across our city are encouraged to share one thing they love about Jacksonville. Whether it's your favorite neighborhood park, restaurant, museum, sports team, or annual event – Jacksonville has a lot to love.

How to participate:

1. Write down one thing you love about Jacksonville on the front of this sign.
2. Take a picture with the sign or record a short video sharing what you love about our city.
3. Share that video on Twitter, Facebook, Instagram and more using **#MyOneThing**... and let us know what area of town! (Example: #Northside, #Springfield, or #Downtown)
4. Challenge a friend or colleague to do the same!
5. Visit our web site to view other stories, photos and videos.
