## AGREEMENT

This AGREEMENT is entered into between the City of Jacksonville, hereinafter referred to as the **Employer**<sup>1</sup> and The Jacksonville Consolidated Lodge No. 5-30 of the Fraternal Order of Police, hereinafter referred to as the **F.O.P.** It is the intent and purpose of this Agreement to assure sound and mutually beneficial working and economic relationships between the parties hereto, to provide an orderly and peaceful means of resolving any misunderstandings or differences which may arise and to set forth herein a basic and full agreement between the parties concerning rates of pay, wages, hours of employment, and other terms and conditions of employment. There are and shall be no individual arrangements or agreements covering any part or all of this Agreement contrary to the terms herein provided. Either party hereto shall be entitled to require specific performance of the provisions of this Agreement. It is mutually understood and declared to be the public policy of the **Employer** and the **F.O.P.** to promote harmonious and cooperative relationships between the **Employer** and its employees, and to protect the public by assuring, at all times, the orderly and uninterrupted operations and functions of government.

### ARTICLE 1: F.O.P. RECOGNITION

**1.1** Pursuant to and in accordance with all applicable provisions of Chapter 447, Florida Statutes, the **Employer** recognizes the **F.O.P.** as the exclusive collective bargaining representative for those employees in the certified bargaining unit, defined by Certification 278 issued on November 18, 1997, and clarified on May 9, 2006, as all sworn Police Officers of the rank of sergeant and below (see attached Schedule A), including sworn Judicial Officers and full-time temporary sworn certified bailiffs for the purpose of bargaining collectively in the determination of the wages, hours and terms and conditions of employment of the public employees within the bargaining unit unless and until recognition of such bargaining representative is withdrawn by a vote of the majority of the employees represented. Temporary sworn certified bailiffs, although assigned to a temporary employment category, may work on a continuing basis on a 40 hr a week schedule for more than 6 months.

“Employees” shall mean all employees who are employed by the City of Jacksonville whose classifications appear on the attached Schedule A.

Terms and conditions of employment for the full-time temporary sworn certified bailiffs referred to in this section are set forth in Appendix A of this Agreement and not in the provisions of the main agreement.

---

<sup>1</sup> The “Employer” means the Office of the Sheriff or the City of Jacksonville as the context may require.

Terms and conditions of employment for the sworn Judicial Officers referred to in this section are set forth in Appendix B of this Agreement and not in the provisions of the main agreement.

- 1.2 It is further understood and agreed that the President or an alternate of the Jacksonville Consolidated Lodge No. 5-30 of the **F.O.P.** will be the official spokesman for the Fraternal Order of Police in any matter between the **F.O.P.** and the **Employer**. The alternate shall be selected from one of the officers listed below:

Business Agent
First Vice President
Second Vice President
Secretary
Member of Board of Directors
Florida State Lodge representative (with letter of authorization to represent Jacksonville Consolidated Lodge No. 5-30)

- 1.3 Any alternate designated by the President shall be designated in writing, including the period of time covered by such designation. A written list of the accredited officers and representatives of the **F.O.P.** shall be furnished to the Sheriff and the City's Director of Employee Services immediately after their designation and the Sheriff and the City's Director of Employee Services shall be notified of any changes of said representatives within five (5) days.

## ARTICLE 2: F.O.P. SECURITY AND CHECK OFF

- 2.1 Upon receipt of a written authorization from an employee covered by this Agreement, the **Employer** will deduct from the employee's pay the amount owed to the **F.O.P.** by such employee for dues. Deductions will occur bi-weekly. The **Employer** will remit such sums to the **F.O.P.** no later than the tenth (10th) day of the month following such deductions. The **F.O.P.** will certify any changes in the membership dues rate to the **Employer** in writing over the signature of the authorized officer or officers of the **F.O.P.** at least thirty (30) days in advance of the effective date of such change. The **Employer's** remittance will be deemed correct if the **F.O.P.** does not notify the **Employer** in writing within two (2) weeks of its receipt.
- 2.2 The **F.O.P.** will indemnify, defend, and hold the **Employer** harmless against any claim made and against any suit instituted against the **Employer** on account of any check off of **F.O.P.** dues.
- 2.3 An employee may revoke his/her authorization for deduction of dues, provided the employee gives thirty (30) days notice to the **F.O.P.** and the **Employer** by registered or certified mail. The **Employer** will not discontinue dues deduction from any employee prior to authorization of the **F.O.P.** or

the employee. The **Employer** will not discontinue **F.O.P.** dues deduction simply because an employee has changed from one **F.O.P.** bargaining unit to another **F.O.P.** bargaining unit.

- 2.4** No dues deduction shall be made from the pay of an employee for any payroll period in which the employee's net earnings for that payroll period are less than the amount of dues to be checked off. "Net earnings" shall mean "net" after required deduction of federal taxes, Social Security, Pensions, Credit Union, and Health and Life Insurance premiums.
- 2.5** Should an employee's pay be insufficient to make all the deductions he/she has authorized, deductions will be taken in the following order:
- A.** All legally required deductions will be deducted from the employee's pay check. Legally required deductions include but are not limited to deductions for taxes, court ordered deductions and **F.O.P.** dues deductions when the employee has authorized dues deductions.
  - B.** If any remaining payroll deduction slots are available on the employee's paycheck, the slots will be used for **City** sponsored plans or activities.
  - C.** If any remaining payroll deduction slots are available on the employee's paycheck, the slots will be used for other **F.O.P.** sponsored plans or activities that have been authorized by the employee. Provided that if any employee requests in writing to change the priority of his/her payroll deductions and replace an **F.O.P.** deduction with a non-**F.O.P.** deduction, the written request of the employee will govern.
  - D.** If any remaining payroll deduction slots are available on the employee's paycheck, the slots will be used for any other deductions for plans or activities that have been authorized by the employee.
- 2.6** In accordance with Chapter 447, Florida Statutes, Public Employees shall have the right to form, join and participate in or refrain from forming, joining and/or participating in any employee organization of their own choosing. They shall have the right to be represented by any employee organization of their choosing to negotiate collectively through a certified bargaining agent with the **Employer** in the determination of the terms and conditions of their employment.

## **ARTICLE 3: F.O.P. ACTIVITIES**

**3.1** Employees shall have the right to join the **F.O.P.**, to engage in lawful concerted activities for the purpose of collective negotiation or bargaining or other mutual aid and protection, to express or communicate any view, grievance, complaint or opinion, within the bounds of good taste, related to the conditions or compensation of public employment or its betterment, all free from any restraint, coercion, discriminations or reprisal. There shall not be restraint, discrimination or reprisal against any employee because of that employee's membership or lack of membership in the **F.O.P.** or by virtue of his/her holding office or not holding office in the **F.O.P.** The **Employer** and the **F.O.P.** shall apply this provision to all employees.

**3.2 A. On Duty Solicitation by F.O.P.**

Solicitation of any kind by the **F.O.P.**, including the solicitation of grievances, membership, and the collection of **F.O.P.** monies, shall not be engaged in during working hours.

**B. F.O.P. Meetings**

No **F.O.P.** meeting shall be held on **Employer** time.

**C. On Duty F.O.P. Presentations**

The President of the **F.O.P.** or the designated representative may address any assembly or personnel of the Sheriff's Office at their regular roll call, at each in-service training and at each recruit class at the police academy for a period of time agreed upon by the **F.O.P.** and the Office of the Sheriff.

**D. On Duty Solicitation Prohibited**

Employees will not be subjected to solicitation for monies or membership by outside groups (including insurance companies or charity groups) while on duty, including roll call.

**3.3** The **Employer** will furnish a bank of five thousand eight hundred (5,800) for use as **F.O.P.** Pool Time to be shared between all **F.O.P.** units within the Jacksonville Sheriff's Office. This time shall be used for **F.O.P.** activities by any member of the **F.O.P.** Approval of such time shall be authorized by either the **F.O.P.** President, or designee. Time charged will be the actual time used. The **F.O.P.** may rollover not more than 1,250 unused hours to a subsequent year. No more than six thousand five hundred (6,500) hours within all **F.O.P.** units shall be taken in any given year. When the **F.O.P.** requests time off under these provisions, the employee that is to be off shall electronically submit the request to the Office of the Sheriff for

approval. Such leave request must be in accordance with Article 17.2(C)(1)(2) of this contract.

## **ARTICLE 4: MANAGEMENT SECURITY**

- 4.1** The **F.O.P.** and its officers, representatives and members agree that during the life of this Agreement, they shall not instigate, promote, sponsor, engage in or condone any strike, slow down, concerted stoppage of work, intentional interruption of **Employer** operations, or similar activities during the terms of this Agreement. The consideration for such provision is the right to a resolution of disputed questions. Management has the right to discharge or otherwise discipline any or all employees who violate the provisions of this paragraph. The only questions that may be raised in any proceeding, grievance, judicial or otherwise, contesting such action is whether the provision prohibiting strikes, slowdowns, concerted stoppage of work, intentional interruptions of **Employer** operations or similar activities was violated by the employee to be discharged or otherwise disciplined.
- 4.2 A.** The **F.O.P.**, its representatives, members, or any persons acting on their behalf, agree that the following "other unlawful acts" as defined in Chapter 447, Florida Statutes, are expressly prohibited:
- (1)** Soliciting employees during the working hours of any employee who is involved in the solicitation.
  - (2)** Distributing literature during working hours in areas where the actual work of employees is performed, such as offices, warehouses, schools, police stations, fire stations, and any similar public installation. This section shall not be construed to prohibit the distribution of literature during the employee's lunch or in such areas not specifically devoted to the performance of the employee's official duties.
  - (3)** Instigating or advocating support, in any positive manner, for an employee organization's activities from high school or grade school students during classroom time.
- B.** The circuit courts of this state shall have jurisdiction to enforce the provisions of this section by injunction and contempt proceedings if necessary. An employee who is convicted of a violation of any provision of this section may be discharged or otherwise disciplined by the **Employer** notwithstanding further provisions of any collective bargaining agreement.
- C.** No employee organization shall directly or indirectly pay any fines or penalties assessed against individuals pursuant to the provisions of this article.

- 4.3** The **Employer** and the **F.O.P.** agree that the basic intent of this Agreement is to provide a fair day's work in return for a fair day's pay and to provide conditions of employment suitable to maintaining a competent work force. The **Employer** and the **F.O.P.** affirm their joint opposition to any discriminatory practices in connection with employment, promotion, training, or assignment, remembering that the public interest requires the full utilization of employees' skill and ability without regard to race, color, creed, national origin, marital status, or gender.

## **ARTICLE 5: MANAGEMENT RIGHTS**

- 5.1** It is the right of the **Employer** to determine unilaterally the purpose of each of its constituent agencies, set standards of service to be offered to the public, and exercise control and discretion over its organization and operations, including the right to subcontract. It is also the right of the **Employer** to direct its employees, take disciplinary action for proper cause, and relieve its employees from duty because of lack of work or for other legitimate reasons by seniority provided, however, that the exercise of such rights shall not preclude employees or their representatives from raising grievances, should decision on the above matters have the practical consequences of violating the terms and conditions of this collective bargaining agreement.
- 5.2** Whenever it is determined that Civil Emergency conditions exist, including riots, civil disorders, hurricane conditions, or similar catastrophes, or when such conditions can reasonably be determined to be imminent, excluding the normal operational requirements of major civic/sporting events such as the Super Bowl, the provisions of this Agreement may be suspended by the Mayor and/or Sheriff during the time of the declared emergency provided that wage rates and monetary fringe benefits shall not be suspended.
- 5.3** No provision of this Agreement shall affect the City of Jacksonville's right and ability to classify employees as exempt from coverage by the Fair Labor Standards Act.

## ARTICLE 6: SPECIAL MEETINGS

The **Employer** and the **F.O.P.** agree to meet and confer on matters of mutual interest upon the written request of either party. The written request shall state the matter or matters to be discussed and the reason(s) for requesting the meeting. Discussion shall be limited to matters set forth in the request or other subjects mutually agreed to, but it is understood that these special meetings shall not be used to renegotiate this Agreement. Such special meetings shall be held within ten (10) calendar days of the receipt of the written request and at a time and place mutually agreeable to the parties. The **F.O.P.** shall have the right, at these special meetings to recommend to the **Employer** corrections to any inequities known to the **F.O.P.**

## ARTICLE 7: BULLETIN BOARDS

- 7.1** The **F.O.P.** shall be provided partial use of suitable bulletin boards, including at least one (1) in each division so designated by the **Employer**. The **F.O.P.** may if it so desires, provide a bulletin board, of standard size, for its own exclusive use in keeping with the decor of the above locations and with the approval of the **Employer**. In addition, the **F.O.P.** will be provided with centralized electronic posting (“electronic bulletin board”) within the JSO system, for the same purpose.
- 7.2** The **F.O.P.** agrees that it shall use space on bulletin boards provided for in Section 7.1 above only for the following purposes:

Notices of <b>F.O.P.</b> meetings
Elections of <b>F.O.P.</b> Officers
Reports of <b>F.O.P.</b> committees
Rulings and policies of the <b>F.O.P.</b>
Recreational and social affairs of the <b>F.O.P.</b>
Notices by public bodies

- 7.3** Before they are posted, copies of all material, notices, or announcements shall be submitted to the **Employer**.
- 7.4** No material, notices, or announcements shall be posted by the **F.O.P.** which contain anything political or controversial, or anything adversely reflecting upon the City of Jacksonville, its officials, managers, consultants, or agents, its independent agencies, its employees, or any other labor organization. Any proven violation of this section by the **F.O.P.** shall entitle the **Employer** to cancel immediately the provisions of this Section and to remove that bulletin board or the partial use thereof.
- 7.5** Notices or other information intended for the JSO electronic bulletin board shall be submitted on acceptable electronic medium to the JSO Chief of

Human Resources or designee for approval as to compliance with 7.2 before being posted. Notices or other information intended for the electronic bulletin board shall include a specific date on which the notice or information is to be automatically deleted from the electronic bulletin board. Approved materials will be posted electronically as soon as practicable.

## **ARTICLE 8: WORK RULES**

### **8.1 Reissuance of Conflicting Written Directives**

On or before sixty (60) days after City Council approval of this Agreement, all written directives issued by the Office of the Sheriff that are in conflict with the terms and provisions of this Agreement shall be reissued so that no conflicts exist between written directives and the terms of this Agreement.

### **8.2 Notice and Scheduling of In-Service Training**

It shall be the policy of the Office of the Sheriff whenever possible to give at least ten (10) working days' notice to employees scheduled for in-service training and to schedule employees on the midnight shift for such training after regular days off (RDO's) have been observed. It is recognized, however, that last minute changes are often necessitated due to unanticipated sickness, court subpoenas, family situations, etc., and such situations may reduce the notification time in some cases.

### **8.3 Emergency Situation Meals**

In accordance with the Master Plan for Emergency Control of the Office of the Sheriff, employees who are required or ordered to work more than twelve (12) hours on a single tour of duty, due to a declared emergency, shall be furnished a hot meal on the second and each succeeding day, within the twelve (12) hour tour of duty. The Office of the Sheriff will make a reasonable effort to designate a safe and secure area near the emergency area for employees to consume this meal. On the first day of said emergency situation, a reasonable effort will be made to furnish affected employees a hot meal within their twelve (12) hour tour of duty. The Sheriff may reimburse the F.O.P. for providing Sheriff authorized meals to Police Officers working during specified emergencies after receipt of the corresponding invoice subject to and limited by the availability of funding pursuant to the annual budget ordinance.

**8.4** The **F.O.P.** recognizes the value to the general public of allowing representatives from reserve/auxiliary or police associated organizations to ride in police vehicles with regular officers, and will cooperate with the Office of the Sheriff in promoting these programs. Other organizations or individuals may also be included in the plan, all for the benefit of law

enforcement in general and for the Office of the Sheriff in particular.

Any Police Officer who does not wish to ride with a particular individual may decline to do so by notifying his/her commanding officer through an Inter-department Correspondence (P-004). The correspondence shall outline the specific reasons for not wanting to ride with the individual which shall be forwarded to the JSO Chief of Patrol. This refusal is for information only and will not become part of the employee's personnel file or be used for purposes of disciplinary action and approval of such request will not be unduly withheld.

- 8.5** Members of the reserve unit or of other police departments shall not be allowed to perform any policing functions, unless such member is under the direct supervision and control of a certified Police Officer, nor will a member of such unit wear or display rank greater than that of a certified Police Officer with whom he/she is assigned to provided, however, that should the Office of the Sheriff declare an emergency to exist, the above provisions shall not apply for the duration of such emergency.

**8.6 Transfers**

It shall be the sole right of the Office of the Sheriff to transfer employees between any subsections of the organization, based upon operational needs. Employees shall be notified of their new assignment at least fifteen (15) calendar days prior to the transfer, except where the nature of a particular situation requires immediate reassignment. The fifteen (15) day notification can be waived if both parties agree.

**8.7 Administrative Leave Without Loss of Pay**

An employee may be placed on administrative leave without loss of pay for any reason deemed necessary by the Sheriff's Office.

## **ARTICLE 9: GRIEVANCE PROCEDURE**

- 9.1** A grievance is defined as a dispute involving the interpretation or application of this Agreement. Any grievance filed shall refer to the provision(s) of this Agreement alleged to have been violated, and shall adequately set forth the facts pertaining to the alleged violation and the remedy sought. Grievances challenging demotion with loss of pay, suspension with loss of pay or termination shall be filed at Step IV.
- 9.2** In computing any period of time prescribed or allowed by this Article, the day of the act, event, or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included unless it is a Saturday, Sunday, or holiday recognized by this Agreement, in which event the period shall run until the end of the next day which is neither a Saturday, Sunday, or holiday

recognized by this Agreement.

### **9.3 Step 1:**

Within ten (10) days of the occurrence or within ten (10) days after the employee could reasonably have known of the occurrence (whichever is later), the aggrieved employee shall reduce his/her grievance to writing, sign it, and present it to the Assistant Chief or his/her designee. The Assistant Chief or designee shall obtain the facts concerning the grievance and shall within ten (10) days of receipt of the grievance conduct a meeting with the grievant and the grievant's representative. The grievant may be accompanied at this meeting by an **F.O.P.** representative. The Assistant Chief or designee shall submit a final written response to the grievant (with a copy to the **F.O.P.**) not later than ten (10) days following the Step 1 meeting.

### **9.4 Step 2:**

If the grievance is not settled at the first step, the grievant may present the grievance to the Division Chief or his/her designee. The grievance must be presented to the Division Chief or his/her designee within five (5) days of receipt of the Step 1 response or, if a timely Step 1 response is not received, within five (5) days from the day the Step 1 response was due. The Division Chief or designee shall obtain the facts concerning the grievance and shall within ten (10) days of receipt of the grievance conduct a meeting with the grievant and the grievant's representative. The grievant may be accompanied at this meeting by an **F.O.P.** representative. The Division Chief or designee shall submit a final written response to the grievant (with a copy to the **F.O.P.**) not later than ten (10) days following the Step 2 meeting.

### **9.5 Step 3:**

If the grievance is not settled at the second step, the grievant may present the grievance to the Director or his/her designee. The grievance must be presented to the Director or his/her designee within five (5) days of receipt of the Step 2 response or, if a timely Step 2 response is not received, within five (5) days from the day the Step 2 response was due. The Director or designee shall obtain the facts concerning the grievance and shall within ten (10) days of receipt of the grievance conduct a meeting with the grievant and the grievant's representative. The grievant may be accompanied at this meeting by an **F.O.P.** representative. The Director or designee shall submit a final written response to the grievant (with a copy to the **F.O.P.**) not later than ten (10) days following the Step 3 meeting.

### **9.6 Step 4:**

If the grievance is not settled at the third step, the grievant may present the grievance to the Sheriff or his/her designee within five (5) days of

receipt of the Step 3 response or, if a timely Step 3 response is not received, within five (5) days from the day the Step 3 response was due. Within ten (10) days of receipt of the grievance, the Sheriff or designee shall conduct a meeting with the grievant and the grievant's representative. The grievant may be accompanied at this meeting by an **F.O.P.** representative. The Sheriff or designee shall submit a final written response to the grievant (with a copy to the **F.O.P.**) not later than ten (10) days following the Step 4 meeting.

## 9.7 Arbitration:

- A. If the grievance is not settled in accordance with this Article, the grievant or the **F.O.P.** (on behalf of the grievant) may request arbitration by providing a written request to the JSO Chief of Human Resources (with a copy to the City's Director of Employee Services) not later than thirty (30) calendar days after receipt of the Employer's final Step 4 response or, if a timely final Step 4 response is not received, within thirty calendar (30) days from the day the Step 4 response was due. The request shall set forth the specific provision(s) of the Agreement claimed to have been violated. If the request to arbitrate is not received by the JSO Chief of Human Resources within the thirty calendar (30) day limit, the **Employer's** final Step 4 response shall be final and binding upon the grievant and the **F.O.P.**
- B. In the event the grievant submits the request for arbitration without the financial support of the **F.O.P.**, the grievant shall also submit written notice of his/her intent to pay all applicable costs of the arbitration. The grievant shall provide the **Employer** with written confirmation that sufficient funds are reserved in trust or escrow for the payment of arbitration services before the arbitration shall be allowed to proceed.
- C. Upon appeal to arbitration, the **F.O.P.** or employee may, in the written notice for arbitration, include the names of two (2) certified Federal Mediation and Conciliation Services (FMCS) or American Arbitration Association (AAA) arbitrators, either of whom is acceptable to the **F.O.P.** or the employee to arbitrate the grievance. If the two (2) parties involved in the selection do not mutually agree on either of the names initially submitted, the FMCS or AAA shall be requested by the **Employer** to provide a panel of five (5) arbitrators. After the panel is received from the FMCS or AAA, the **Employer** and the **F.O.P.** shall meet and the party requesting the arbitration shall strike the first name. The parties shall then alternatively strike names until only one (1) name remains. The name remaining shall be the impartial arbitrator. After notification of the FMCS or AAA and contact with the arbitrator, the date for the arbitration hearing will be set as soon as practical following the date the arbitrator is notified of his/her selection to act as arbitrator. Notwithstanding the provisions of this section, an arbitrator other

than outlined above, may be mutually selected by the parties to the arbitration proceedings.

- D. All testimony given at the arbitration hearing shall be under oath.
- E. Post-hearing briefs may be filed at the request of either party or the arbitrator.
- F. The arbitrator shall render his/her decision within thirty (30) days of receipt of post-hearing briefs or of the close of the hearing, whichever is later.
- G. The arbitrator shall have jurisdiction and authority to decide the grievance, as defined in this Article. However, the arbitrator shall have no authority to change, modify, amend, ignore, add to, subtract from, or otherwise alter or supplement the Agreement or any part thereof or any amendment thereto.
- H. The arbitrator shall consider only the specific issue(s) submitted to him/her in writing by the parties, and shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration, or which is not specifically covered by this Agreement.
- I. The arbitrator's decision shall be exclusively based upon specific findings of fact and conclusions which shall be the predicate for any decision. In rendering any decision, the arbitrator shall only consider the written, oral, or documentary evidence submitted at the hearing.
- J. The arbitrator may not issue declaratory or advisory opinions. The arbitrator shall be confined exclusively to the issue(s) presented to him/her, which issue(s) must be actual and existing.
- K. The decision of the arbitrator shall be final and binding on all parties, subject to those challenges permitted by law. However, the authority and responsibility of the **Employer** as provided by Chapter 447, Florida Statutes, and the Charter of the City of Jacksonville shall not be usurped in any manner unless specifically amended or modified by this Agreement.
- L. Each party shall bear the cost of its own witnesses and representatives. The parties shall bear equally the cost of the arbitrator. Any party requesting a copy of the transcript of the arbitration hearing shall bear the cost of it. Any employee who acts independently of or in disregard of the position of the **F.O.P.** shall pay his/her own share of the arbitrator's cost and expense.
- M. Election of Remedies: It is specifically and expressly understood that taking a grievance to arbitration constitutes an election of remedies and a waiver of any and all rights by the appealing party and all

persons whom it represents. No employee shall file an appeal under this agreement concerning any matter that he/she has previously appealed through the Civil Service and Personnel Rules and Regulations.

- 9.8** Any grievance not processed within the time limits provided in this Article shall be considered abandoned. Provided, however, the time limits set forth in this Article may be extended by joint agreement of the **Employer** and the **F.O.P.** (or the employee if appropriate) which is confirmed in writing. The parties may mutually agree in writing to waive any time limits or provisions of the grievance procedure.

## **ARTICLE 10: DISCHARGE AND DISCIPLINE**

- 10.1** All discipline taken against any bargaining unit employee shall be for proper cause. The procedure for dismissals, demotions, and suspensions shall be as outlined in the City of Jacksonville Civil Service and Personnel Rules and Regulations and the Florida Law Enforcement Officers' Bill of Rights, Section 112.532, Florida Statutes, as in effect upon signing of this Agreement unless modified in this Agreement. Should the Florida Law Enforcement Officers' Bill of Rights be repealed (Section 112.532, Florida Statutes), said repeal will not affect or modify the provisions of this section.
- 10.2** Police recruits and entry level probationary Police Officers (as opposed to police sergeants on promotional probation) who are dismissed from employment shall have no right to a Civil Service Board hearing, or to appeal pursuant to this Agreement.
- 10.3 A. Disciplinary Hearing Board**

There shall be established a Sheriff's Disciplinary Hearing Board for the purpose of such hearings. Said Board shall be composed of five (5) members, with two (2) members being selected by the administration, two (2) members being selected by the aggrieved officer; and the fifth member being selected by the other four (4) members. The Board members shall be law enforcement officers who are currently employed by JSO. No member of this Board shall be a relative of the aggrieved officer, as defined by the Civil Service Board rules. The hearing will be informal. Neither the aggrieved officer nor the **Employer** shall utilize an attorney for the presentation during the informal hearing proceedings. During the hearing, the aggrieved officer will be provided the opportunity to respond to the charges against him/her, and to tell his/her side of the story. The aggrieved officer shall be permitted to provide a list of witnesses, and present evidence as part of a defense. Any member of the board may request, through the chairperson, to call upon the witnesses provided to give testimony germane to the events leading to the charges being levied. The Board will review

the information presented during the informal hearing, and consider the JSO disciplinary standards, and then make a recommendation to the Sheriff about the level of discipline (if any) that it believes should be imposed in the case. The Board's decision will be advisory and not binding upon the Sheriff. If the decision of the Sheriff is unsatisfactory to the aggrieved officer, he/she may appeal this decision to the Civil Service Board within ten (10) days, or request arbitration within five (5) working days, as provided in Article 9.6 Step IV. It is agreed that the convening of the Sheriff's Department Hearing Board shall be effectuated as expeditiously as possible following the charges being levied against the aggrieved officer. Should the accused officer request to continue the hearing or delay its convening, then it is agreed that the officer waives his/her emoluments in exchange for the continuance of the hearing.

- B.** No suspension with loss of pay shall be implemented until any requested civil service or arbitration hearing has been held and an opinion rendered, except as provided for in Article 13. (This shall not apply to terminations).

## **ARTICLE 11: BILL OF RIGHTS**

- 11.1** Whenever a law enforcement officer is under investigation and subject to interrogation or interview by members of his/her agency for any reason which could lead to disciplinary action, demotion, or dismissal, such interrogation shall be conducted under the following conditions:
  - A.** The interrogation or interview shall be conducted at a reasonable hour, preferably at a time when the law enforcement officer is on duty, unless the seriousness of the investigation is of such a degree that immediate action is required.
  - B.** The interrogation or interview shall take place either at the Office of Internal Investigations or at the office of the police unit in which the incident allegedly occurred as designated by the investigating officer or agency.
  - C.** The law enforcement officer under investigation shall be informed of the rank, name, and command of the officer in charge of the investigation, the interrogating officer, and all persons present during the interrogation or interview. All questions directed to the officer under interrogation or interview shall be asked by and through one (1) interrogator at any one (1) time.
  - D.** The law enforcement officer under investigation shall be informed in writing of the nature of the investigation prior to any interrogation or interview and the officer shall be informed of the name(s) of all

complainants.

- E.** Interrogating sessions or interviews shall be for reasonable periods and shall be timed to allow for such personal necessities and rest periods as are reasonably necessary.
- F.** The law enforcement officer under investigation or interview shall not be subjected to offensive language or threatened with transfer, dismissal, or disciplinary action. No promise or reward shall be made as an inducement to answer any questions.
- G.** The entire interrogation or interview of a law enforcement officer, including the times of all recess periods, shall be recorded<sup>1</sup>, and there shall be no unrecorded questions or statements. A copy of the recorded interrogation or interview shall be provided upon request within 72 hours following the interrogation or interview.
- H.** If the law enforcement officer under interrogation or interview is under arrest, or is likely to be placed under arrest as a result of the interrogation or interview, the officer shall be completely informed of all his/her rights prior to the commencement of the interrogation or interview.
- I.** At the request of any law enforcement officer under investigation, he/she shall have the right to be represented by counsel or any other representative of his/her choice, who shall be present at all times during such interrogation or interview.
- J.** The law enforcement officer who is a subject of a complaint or allegation shall be notified in writing by the Internal Investigation section of the disposition of the complaint or allegation upon the conclusion of the investigation. The investigation shall be concluded with the finding of sustained, not sustained, exonerated, or unfounded.
- K.** Any law enforcement officer who is the subject of an investigation or interview has the right to review, along with his/her representative, the complaint or allegation and all written and/or recorded statements, regardless of form, made by the complainant(s) and witness(es) immediately prior to the beginning of the interview.
- L.** Whenever practical, any officer who is the subject of an investigation will be interviewed or interrogated after all other known witnesses and complainants have been interviewed.

---

<sup>1</sup> "Recorded" shall mean any of the following: taking of statement by audio tape, videotape or by a court stenographer. However, the parties recognize that any officer conducting or observing an interview may take handwritten notes.

## ARTICLE 12: COMPREHENSIVE DRUG AND ALCOHOL ABUSE POLICY AND PROCEDURES

### 12.1 Mutual Agreement

- A.** The **Employer** and the **F.O.P.** agree to the promotion of a drug free workplace through fair and reasonable drug testing methods for the protection of the City of Jacksonville and its employees. The drug testing policy of the Jacksonville Sheriff's Office is a proactive approach to a potentially serious problem facing all members of society. Within the limitations, as outlined in this Article, employees found to have drug abuse problems will be encouraged to participate in an employee assistance program or a rehabilitation program.
- B.** It is further agreed that drug use has serious adverse effects upon users in the work force resulting in the loss of productivity, posing a threat to the workplace and to public safety and security. Maintaining a healthy and productive work force and safe working conditions free from the effects of drugs are the goals of both the **Employer** and the **F.O.P.** It is understood that drug use creates a variety of workplace problems, including increased injury on the job, increased absenteeism, and increased financial burdens on health and benefit programs. Criminal justice work requires and the safety of the public demands total mental and physical functioning of employees at all times. The Jacksonville Sheriff's Office has a responsibility in the interest of public safety to monitor the use and abuse by employees of controlled substances, and other drugs/medicines.
- C.** The **Employer** agrees to establish drug testing standards to balance the interests of the **Employer**, employees, and the welfare of the general public through a fair, confidential, and accurate drug testing program.
- D.** Employees who feel that they are abusing drugs are encouraged to contact the Employee Assistance Program for help in overcoming this problem. Normal agency benefits such as the Employee Assistance Program, appropriate leave, and the group medical plan are available to aid in the rehabilitation process. Staff assigned to the Employee Assistance Program will support employees in this process by providing referral to the appropriate agency suited to address the particular need of the employee.
- E.** The sale, purchase, transfer, use, or possession of illegal drugs, or drugs obtained illegally, is a violation of state and federal criminal statutes and, therefore, may result in termination. Use, or being

under the influence of alcohol while on duty or while driving a City vehicle presents a danger to the public, to the officer involved, and to other officers, and therefore, may result in termination.

**F.** In order to maintain the integrity of the Jacksonville Sheriff's Office and to ensure public safety, the Jacksonville Sheriff's Office requires that all employees shall not:

- (1)** Abuse legal drugs;
- (2)** Sell, purchase, transfer, use, or possess illegal drugs, or drugs obtained illegally;
- (3)** Report for work and/or use Sheriff's Office equipment while under the influence of a legal drug taken as a medication to the extent that job performance would be affected.

## 12.2 Discussion

- A.** Drug screening provides management with a method to assist in the detection of a possible problem so that it may be dealt with in the proper manner.
- B.** Drug screening of Sheriff's Office employees is a deterrent to their becoming involved with drugs. Additionally, it assists management in its efforts to detect drug problems within the Sheriff's Office. Drug screening provides an avenue for identifying a specific problem associated with drug use/abuse.
- C.** Personnel are cautioned that drug screening is not an absolute indicator of drug use. It is a single indicator that must be combined with other information before a final determination is made. The drug screening program is interwoven with established Sheriff's Office policy as it is affected by administrative procedures, internal investigations, Law Enforcement Officers' Bill of Rights, criminal investigations, etc. The final determination (e.g. no action, disciplinary action, treatment or termination) is based on an accumulation of information and is consistent with the best interest of the Sheriff's Office and the employee.

## 12.3 Definitions

- A. **Controlled Substance**** - Any of the substances named in Schedules I through V of Section 893.03, Florida Statutes, and any "designer drugs" that may hereafter be proscribed by law and which are subject to manufacturing, distribution, preparation, dispensation, and administrative controls.

- B. Employee Assistance Program** - A confidential program designed to assist employees and their families with a multitude of problems that may affect the employee's work performance. Employees may volunteer for the program or be referred to it by their supervisors.
- C. Confirmation Test** - An additional analytical procedure used to identify the presence of a specific drug or metabolite in a specimen. The confirmation test must be different in scientific principle from that of the initial test procedure. The confirmation method must be capable of providing requisite specificity, sensitivity, and quantitative accuracy.
- D. Illegal Drug** - Any drug or substance, including controlled substances, the possession of which without a prescription is defined as a violation of state or federal statutes; or any prescription drug that was not prescribed to the affected employee by a person licensed to issue such prescription.
- E. Legal Drug** - Any prescription medication or any over-the-counter medication that has some medicinal value/purpose and is being used by the person for whom it was prescribed.
- F. Substance Abuse** - The excessive or erratic ingestion, consumption, inhalation, or injection of any illegal drug or legally obtained drug or medicine not in prescribed amounts or at proper time intervals.
- G. Use of Drugs** - The injection, inhalation, ingestion, or consumption of any drug, whether prescription or non-prescription, or any controlled substance as defined under Florida law.
- H. "Under the Influence"** - A condition in which employees are unable to appropriately perform their duties because of the use of any drug, controlled substance, or alcohol. Employees shall be deemed to be under the influence if they are physically or mentally impaired and/or unable to perform their duties in an acceptable manner.

#### **12.4 Responsibility for Reporting Legal Drug Use**

- A.** Sheriff's Office employees using drugs or therapeutic treatments prescribed by a physician or other authorized health practitioner shall determine from the prescribing person whether the treatment prescribed has any effects which may interfere with the performance of their duties. If the treatment prescribed has such effects, employees shall inform their supervisors of that fact. Supervisors shall notify JSO Human Resources.

- B.** Any Sheriff's Office employee using legal over-the-counter non-prescription drugs which in any way impair or affect his/her job performance is responsible for bringing this fact to the attention of his/her immediate supervisors on Form P-004. Information relating to the use of over-the-counter drugs can be removed at the request of the employee after it has been in the medical file for six (6) months, unless the usage of such medication is part of on-going treatment.
- C.** The supervisor of any employee, upon being informed that such employee is using over-the-counter or prescription drugs which could interfere with the performance of his/her duties shall make further inquiries to determine whether the employee is fit to perform those duties. Upon consultation with his/her commanding officer, the supervisor will decide whether the employee is fit for duty. If unfit, the employee shall be placed on personal leave. Should the employee and the commanding officer not concur on the ability of the employee to perform his/her duties, the department staff duty officer will make the final determination. Information regarding the use of legal drugs being taken by an employee will be forwarded to the JSO Human Resources Division where it will be maintained in a confidential medical file.
- D.** All Sheriff's Office employees have an obligation to inform a supervisor or ranking officer if another employee is using drugs in violation of the law or Sheriff's Office Rules and Regulations.
- E.** If any employee knowingly ingests any drug in the performance of his/her duties, the supervisor on duty will be immediately notified and the incident reported on Form P-004. The supervisor will see that the employee is provided with immediate medical attention if necessary. The employee will be placed on an appropriate duty status. The incident will be documented with the initiation of Form P-004 to be followed by a detailed report from the employee's commander through channels to the Sheriff. Every effort should be made to avoid such ingestion. Unless employees' lives are endangered, they will refrain from the consumption, ingestion, injection, or inhalation of a substance which may either physically or mentally be dangerous to employees.
- F.** Employees knowingly subjected to the passive inhalation of a drug, such as marijuana, will submit a Form P-004 to the supervisor on duty. The report will indicate the substance the individual was exposed to, the period of time exposed, and give a brief statement explaining the necessity for the exposure. The report will be forwarded to the Sheriff for review.

## 12.5 Drug Screening Program

- A. The **Employer** shall post a notice of the department's drug testing policy on bulletin boards in areas that are accessible to employees.
- B. Urine testing of employees can be an effective means by which to identify those in need of counseling, treatment, or disciplinary action. The testing program is intended to supplement, not replace, other means by which the use of drugs can be detected.
- C. Employees will be required to participate in the drug testing program under the following conditions:
  - (1) When there is a reasonable suspicion that an employee is using, under the influence of or in possession of illegal drugs, or is using or under the influence of alcohol while on duty, or that the employee is abusing alcohol or illegal drugs and the abuse either adversely affects his/her job performance or represents a threat to the safety of the employee, coworkers, or the public. Reasonable suspicion drug/alcohol testing can be ordered by any supervisor with the approval of a commanding officer (lieutenant or above). An immediate supervisor requesting a drug/alcohol test founded on reasonable suspicion should consider among such facts and inferences:
    - (a) Observable behavior while at work, such as direct observation of drug/alcohol use or of the physical symptoms or manifestations of being under the influence of a drug/alcohol.
    - (b) Abnormal conduct or erratic behavior while at work or a significant deterioration in work performance.
    - (c) A report of drug/alcohol use provided by a reliable and credible source which has been independently corroborated with observable behavior.
    - (d) Evidence that the employee has tampered with a drug/alcohol test during his/her employment with the **Employer**.
    - (e) Information that an employee has caused or contributed to an accident while at work combined with observable behavior indicating the possibility that drug/alcohol usage may be involved.

- (f) Evidence that an employee has used, possessed, sold, solicited, or transferred drugs, or used or been under the influence of alcohol, while working or while on the **Employer's** premises or while operating the **Employer's** vehicle, machinery, or equipment.
- (2) Following a serious accident or incident in which safety precautions were violated or unusually careless acts were performed and there is reasonable suspicion to believe these actions were the result of using drugs.
- (3) **Routine fitness for duty:** The **Employer** will require a drug test any time an employee is referred to a physician or psychologist for a fitness for duty examination.
- (4) **Random Drug Testing Program:** As part of the Sheriff's Office random drug testing program each employee of the bargaining unit will be randomly assigned a number that will be the only source identifying the individual submitting a sample for drug testing.
- (5) **Follow-up testing:** Should an employee in the course of employment enter, or be required by the **Employer** to enter, into an employee assistance program for drug-related problems, the **Employer** may require the employee to submit to a drug test as a follow up to the program for up to two (2) years thereafter.
- (6) When an employee is found in possession of illicit drugs or when illicit drugs are found in an area controlled or used exclusively by the employee.
- (7) During basic recruit training and prior to completion of an employee's probation.
- (8) When an employee is transferred into, during the assignment, and when transferred from the SWAT Team, Bomb Squad, or any specialized unit where, during the assignment, the employee will be involved with narcotic investigations and/or have access to illicit drugs.
- (9) As part of a rehabilitation program (mutually agreed to by the affected employee and the Sheriff's Office Administration).

- (10) As a result of prior disciplinary proceedings against the employee related to the use of drugs. (Such testing shall be conducted by the Internal Affairs Unit with the approval of, and in coordination with, the JSO Chief of Human Resources. The **Employer** may require the employee to submit to a drug test as a follow up to the disciplinary action for up to two (2) years thereafter.

## 12.6 Procedure for Testing

### A. Drug Testing Responsibility

- (1) The JSO Human Resources Division shall be responsible for drug testing of employees under-going basic recruit training, probationary Police Officers, and employees selected through the random drug testing program.
- (2) The Internal Affairs Unit shall be responsible for drug testing of any employee whom it reasonably suspects has used or is found to be in possession of a drug, or other controlled substance in violation of the law, Sheriff's Office orders, and rules and regulations. The Internal Affairs Unit shall also conduct drug testing of employees as the result of prior disciplinary proceedings related to the use of drugs.

### B. Confidentiality

- (1) All information, interviews, reports, statements, memoranda, and drug test results, written or otherwise, received by the **Employer** through a drug testing program are confidential communications.
- (2) The release of information obtained through any of the drug testing programs shall be solely pursuant to a written consent form signed voluntarily by the person tested except where such release is compelled by a hearing officer, a court of competent jurisdiction, pursuant to an appeal taken under this section, or when required for a departmental Disciplinary Hearing Board, arbitration, or Civil Service Board proceeding. Drug testing information shall also be released to the Bureau of Criminal Justice Standards and Training for the purpose of reviewing certification eligibility.
- (3) Any employee authorizing the release of drug testing information must submit a signed communication to the JSO Chief of Human Resources advising:
- (a) The name of the person who is authorized to obtain the information,

- (b) The purpose of the disclosure,
  - (c) The precise information to be disclosed, and
  - (d) The duration of the consent.
- (4) The **Employer** shall use drug test results when consulting with legal counsel in connection with actions brought under or related to this Article or where the information is relevant to the **Employer's** defense in a civil or administrative matter.

## 12.7 Testing Procedures

- A. The **Employer** shall pay the cost of all drug tests which are required of employees. Employees shall pay the costs of any additional drug tests not required by the **Employer**.
- B. Prior to taking a drug test, employees must advise the **Employer** of any prescription or non-prescription medications they are taking. The **Employer** will provide information to the employee of the most common medications by brand or common name which may alter or affect a drug test. Employees will also be advised of all drugs for which the **Employer** will test, described by brand or common names, as applicable, as well as by chemical names. Information regarding the use of prescription or non-prescription drugs taken by the employee will be presented in a written communication that will be maintained in a confidential medical file in the JSO Human Resources Division. The ingestion of any prescription or non-prescription drug by an employee shall not preclude the administration of the drug test, but shall be taken into account in interpreting any positive confirmed results.
- C. Individuals responsible for conducting drug tests are acting under the direct authority of the Sheriff. Employees being tested shall cooperate fully. Any attempt to alter or tamper with the specimen, its container, or any mechanical device, instrument, or document by any individual is grounds for termination and/or prosecution under applicable Florida Statutes.
- D. The **Employer** will establish guidelines for the collection of drug test samples that will afford protection to the employee to include:
  - (1) Specimens shall be collected with due regard to the privacy of the individual providing the specimen and in a manner reasonably calculated to prevent substitution or contamination of the sample.

- (2) Specimen collection shall be documented and the documentation procedures shall include:
- (a) Labeling of specimen containers to reasonably preclude the likelihood of erroneous identification of test results.
  - (b) Specimen collection, storage, and transportation to the testing site shall be performed in a manner which will reasonably preclude specimen contamination or adulteration.
  - (c) The **Employer** shall use a chain of custody procedure to ensure the proper record keeping, handling, labeling, and identification of all specimens to be tested.
- E. When an employee is required to provide specimens for a testing procedure, the employee shall provide one (1) specimen (large enough to be divided into two (2) separate samples at the time of collection in order to facilitate the testing procedures).
- F. The threshold level or cut-off limit of the analytical testing procedures shall be established in accordance with the State of Florida Agency for Health Care Administration in conjunction with the standards developed by the Substance Abuse and Mental Health Services Administration (SAMHSA), regarding testing and protocol and procedures.
- G. When employees are required to participate in any of the drug testing procedures, the initial testing specimen will be subject to an EMIT (Enzyme Multiple Immunoassay Technique). If the results of the initial test are negative, no further testing will be done.
- (1) Employees selected for random drug testing will be assigned a number which will be the only means available of identifying the individual who provided the specimen.
  - (2) Random numbers assigned to employees will be maintained in a confidential file under the direct supervision of the JSO Chief of Human Resources.
  - (3) Specimen collection will not be taken at any of the correctional housing facilities and the specimen container will not reveal the name of the contributing employee.

The **Employer** will use the Evidential Breath Testing Device (EBT) to test for the presence of alcohol in an employee's system. The test will be performed by a Certified Breath

Analyzer Technician (BAT) using a EBT approved by the National Highway Safety Administration. If the initial test registers an alcohol concentration of 0.02 or greater, a confirmation test will be performed. The employee will be placed in a separate room under the observation of the BAT for at least 15 minutes, but not more than 20 minutes, after which he/she will be given a confirmation EBT.

- H. Random drug testing conducted by the **Employer** may occur before, during, or immediately after the regular work period of the employee, and shall be compensated in accordance with this Agreement.
- I. The Internal Affairs Unit shall be called whenever one or more of the circumstances described in Article 12.6(A)(2) comes to the attention of members of the Sheriff's Office.
  - (1) Once called, the Internal Affairs Unit shall have complete authority over the investigation.
  - (2) The employee shall be advised in writing of the reason(s) for the order to submit to the test and that failure to do so constitutes failure to obey a direct order.

## 12.8 Results of Test

- A. If the results of the initial test are positive, the **Employer** will submit the sample for a confirmation test using a GC/MS (Gas Chromatography/Mass Spectrometry) test or other method specified by DHHS Guidelines to verify the initial test results that will be conducted by an outside licensed laboratory capable of supplying an analysis of drug content. When a confirmation test is necessary, the **Employer** will ensure the proper storage and transportation of the specimen to a licensed laboratory for processing.
- B. After receipt of a positive confirmed test result from the testing laboratory, the **Employer** shall inform the employee of the positive test result, the possible consequences of such results, and the options available to the employee.
- C. The **Employer** shall provide to the employee, upon written request, a copy of the confirmation test results.
- D. Within ten (10) working days after receiving notice of a positive confirmed test result, the employee may submit information to the **Employer** explaining or contesting the test results, and why the results do not constitute a violation of the **Employer's** policy.

- E. All reports of positive test results shall be received by the JSO Chief of Human Resources and maintained in a confidential medical file.

## 12.9 Disciplinary Procedures

- A. Any employee who refuses to submit to a drug test or whose confirmation drug test is found to be positive is subject to disciplinary action. Such disciplinary action is subject to the grievance procedures provided for through Article 9 of this Agreement and the Civil Service and Personnel Rules and Regulations.
- B. The employee may be either immediately suspended or reassigned pending the results of the confirmation test for the use of illegal drugs.
- C. Positive confirmation tests for illegal drugs shall result in the immediate suspension of an employee which may be followed by termination proceedings. In appropriate cases, every effort will be made to help the employee deal with a legal drug problem by proper referral to the Sheriff's Employee Assistance Program. However, if this effort fails or is obviously inappropriate given the nature of the problem, appropriate disciplinary action shall be initiated.
- D. The **Employer** may discipline or discharge an employee on the sole basis of the employee's first positive confirmed drug test when the employee has either refused to participate in an employee assistance program or a drug rehabilitation program, as evidenced by withdrawal from the program before its completion, or a report from the program indicating unsatisfactory compliance; or by a positive test result on a confirmation test while participating in or after completion of the program.
- E. The **Employer** shall discipline an employee, subject to termination proceedings, who has failed or refused to sign a written consent form allowing the **Employer** to obtain information regarding the progress and successful completion of an employee assistance program or a drug rehabilitation program.
- F. Employees participating in an employee assistance program or a drug rehabilitation program may be considered as being in a temporary limited duty status.
- G. The **Employer** shall not discharge or discipline an employee solely upon voluntarily seeking treatment, while under the employ of the **Employer**, for a drug-related problem if the employee has not

previously tested positive for drug use, entered an employee assistance program for drug-related problems, or entered a drug rehabilitation program. However, the **Employer** shall terminate an employee when the presence of illicit drugs is confirmed. Employees who have been tested may not use this aspect of the Agreement as a means of protection from disciplinary action.

#### **12.10 All laboratory Reports of a Drug Test Shall include:**

- A.** The name and address of the laboratory which performed the test and the positive identification of the person tested (not the employee's social security number), or if applicable, the random number.
- B.** Positive results of confirmation tests.
- C.** A list of the drugs for which the drug analyses were conducted.
- D.** The type of tests conducted and the minimum cut-off levels of the tests.
- E.** Any correlation between medications reported by the employee and the confirmation test results.

- B.** When an employee fails a substance abuse test (with confirmation);
- C.** When an employee fails to obey a lawful direct order from a superior officer; or
- D.** When an employee is a danger to himself/herself or others.

**13.2** The immediate emergency suspension without pay must be issued by the Division Chief or above.

**13.3** Upon request of the employee, within the next business day after an immediate emergency suspension, the employee will be afforded the opportunity to meet with the assigned Division Chief for the purpose of

coordinating a meeting between the Sheriff or designee and the employee to determine any further action that may be taken.

- 13.4** An employee who is placed on emergency suspension shall be allowed to use his/her own personal leave from their respective leave accounts (AL, CL or HOL).

Should the internal file be requested by any public party, every reasonable effort will be made to notify the involved officer(s) as to who the requesting party is, and the date and time as to when the file will be made available. If, however, said officer(s) cannot be notified within twenty-four (24) hours, the requested information will be provided within the limits of governing statutes, court orders, etc. In such cases, officers will be notified that information from their files was

released. When the **Employer** provides access to the internal investigation "Final Action Report" pursuant to a public record request, the **Employer** will also provide the party requesting access to the record(s) a written definition of the terms used to describe the disposition of the internal investigation(s). (Reference Schedule B)

- F.** Administrative points and records/files related to speeding, crashes, or other traffic control devices or other traffic related sanctions assigned administratively by the **Employer** will be purged in the following matter:

  - (1) An able bodied, fully staffed department whose officers can effect an arrest and respond to emergency conditions; and
  - (2) Flexible staffing that grants managerial discretion to assign the right person into the right position; and
  - (3) Recognition that the assignment of supervisors must be need and performance based, and that assignments based merely upon an employee's physical condition is contrary to the fulfillment of the Mission; and
  - (4) Officers who are injured in concerted police actions should receive priority recognition; and
  - (5) The creation of incentives and disincentives will enhance officer physical conditioning; and
  - (6) A Department that is not physically fit will provide less protection and less effective services at a much greater cost.

### **34.2 Administration of the Physical Ability Testing Program**

#### **A. Incentives:**

In recognition of officers passing the physical ability test, those officers shall receive:

- (1) Timely step raises as provided for in Schedule C of the Agreement;
- (2) Consideration for promotion when ranked on a certified eligibility list;
- (3) The thanks of the Administration and the Community who all recognize that an able and fit public safety force will provide enhanced protection and services at a lower cost to the community.

**B. Disincentives:**

In recognition that officers failing the physical ability test provide less service to the community, reduce the efficiency of the Department, and increase the costs to the taxpayers, those officers failing the physical ability test shall be subject to the following:

- (1) Forfeiture of take home car privileges;
- (2) Forfeiture of annual step raise;
- (3) Delayed consideration for promotions;
- (4) Forfeiture of police related secondary employment privileges.

**C. Rehabilitation:**

An officer who fails an annual physical ability test shall be given one (1) calendar year from the date of the failure to pass the physical ability test.

- (1) During that calendar year, the officer will remain on duty but will be required to participate in an on-duty training and/or conditioning program which will require the officer's participation at the training academy at least twice monthly. The program will be personally designed to enable the officer to ultimately pass the examination.
- (2) If the officer so completely fails to pass the physical ability test that it demonstrates a more serious fitness for duty problem, the JSO may administer such other fitness for duty testing and take such prudent action that would otherwise be reasonable under the circumstances.

**D. Accommodation:**

As to officers who have failed a physical ability test:

- (1) After the one (1) calendar year set aside for rehabilitation, if the officer is still unable to pass the physical ability test, the officer shall be considered unable to perform the officer's duties and if the officer does not qualify for accommodation as set forth in Paragraph (2) below, the officer shall be separated from employment as provided for in the Civil Service and Personnel Rules and Regulations.
- (2) If the officer's inability to pass the physical ability test in a year is a result of an ADA qualifying condition, the officer shall be

accommodated as provided in paragraph (3) below; otherwise, the officer shall be separated from employment pursuant to the Civil Service and Personnel Rules and Regulations if the officer cannot be accommodated by retirement or reassignment to non-sworn service.

**(3)** An officer qualifying for accommodation in the sworn service pursuant to paragraph (2) above shall be subject to the following terms and conditions:

**(a)** The JSO shall make available a combined number of positions for up to 1.5% of the total sworn police ranks which will be designated as Permanent Light Duty positions for all of those officers who either qualify for accommodation under paragraph (2) above, or who qualify for permanent accommodations as a result of on-the-job injuries. Each such officer who wishes to be placed in a Permanent Light Duty position so designated must be able to perform the functions of that position with the exception of an ability to effect an arrest and respond to an emergency. A maximum of three (3) supervisory positions will be included within the total Permanent Light Duty positions.

**(b)** Any officer or supervisor who does not accept an accommodation into one of the Permanent Light Duty positions, or who does not opt for normal or disability retirement, or who does not accept an accommodation to a non-sworn position, shall be subject to separation in accordance with the Civil Service and Personnel Rules and Regulations as a result of that officer's inability to perform the essential functions of the job.

**(c)** In order to ensure the maximum availability of accommodation for qualifying officers, officers serving in a Permanent Light Duty position described in Paragraph (3)(A) above, may serve in that position until and unless the officer is "bumped."

"Bumping" occurs when the number of qualifying officers exceeds the number of available Permanent Light Duty positions. The criteria for bumping shall be as follows:

**(i)** (A) Positions shall be determined first by giving priority to officers injured as a result of concerted police action. (B) Secondly, by giving priority to

officers who are injured on-the-job; (C) and finally, by giving priority to officers who are most senior. An officer who is "bumped" may seek a non-sworn position as an accommodation, but if no other position is available, such officer shall be separated from employment pursuant to the Civil Service and Personnel Rules and Regulations.

### 34.3 Appeal

The JSO believes that a policy implemented fairly and uniformly throughout the Department will provide consistency and fairness in its application. The JSO recognizes, however, that exceptional circumstances may exist which might warrant making limited exceptions to this policy based on the extraordinary rehabilitative efforts of an officer or for such other extraordinary circumstances demonstrated by an officer. Therefore, an officer may appeal to the Sheriff, in writing, for an exception to the application of any part of this policy to that officer.

**A.** The officer must show extraordinary circumstances that would warrant the granting of such exception.

**B.** The Sheriff shall respond in writing to the officer and the decision of the Sheriff shall be final.

## ARTICLE 35: MISCELLANEOUS PROVISIONS

**35.1** In any suit, legal action or proceeding, wherein an employee covered by this Agreement is sued as an individual, for damages, compensatory and/or punitive, which arises from their official duties, the **Employer** hereby agrees that it will provide legal counsel for said employee in accordance with Section 111.07, Florida Statutes. The employee shall have the right to retain an attorney of his choice at the employee's expense to defend the employee in any individual claim.

**35.2** It is understood and agreed that employees shall furnish written notification of their intent to file suit against a third party in any court of law, if the suit arises out of the employee's official duties. Notice shall be provided to the Undersheriff, not less than five (5) days before the actual filing date.

**35.3** Whenever any employee is involved in an accident with any vehicle owned, leased, or rented by the **Employer**, and said accident is solely a result of equipment failure or defect unconnected with any negligence or misconduct of the employee, the employee shall not be disciplined by the **Employer** for the accident or results thereof. Any alleged equipment failure or defect must be reported at the time of the accident and included in the appropriate report. An employee's failure to follow the

Written Directives applicable to vehicle care and maintenance shall nullify the provisions of this section.

### **ARTICLE 36: SEVERABILITY**

In the event any article, section or portion of this Agreement should be held invalid and unenforceable by any court of competent jurisdiction, such decision shall apply only to the specific article, section, or portion thereof specified in the court's decision; and upon issuance of such decision, the **Employer** and the **F.O.P.** agree to immediately negotiate a substitute for the invalidated article, section, or portion thereof.

### **ARTICLE 37: RESIDUAL RIGHTS**

- 37.1** The **Employer** retains all rights, powers, functions, and authority it had prior to the signing of this contract except as such rights are specifically relinquished or abridged in this contract.
- 37.2** All matters pertaining to terms of employment and working conditions guaranteed by law to employees within the bargaining unit shall apply to the extent that they are not in conflict with the provisions of this Agreement.

### **ARTICLE 38: ENTIRE AGREEMENT**

This Article shall not be construed to in any way restrict parties from commencing negotiations under the applicable law on any succeeding agreement to take effect upon termination of this Agreement.
- 38.2** Except as provided otherwise in this Agreement, this Agreement shall be effective October 1, 2017 and shall remain in force to and including September 30, 2020.

### **SAMPLE MEMORANDUM FINAL ACTION REPORT**

**TO:** Party Requesting Public Records Related to Internal Investigations

**FROM:** Jacksonville Sheriff's Office

**DATE:** January 1, 2006

**RE:** Final Action Report – Disposition

In accord with the State of Florida's General Records Retention Schedule for Law Enforcement Agencies, the Jacksonville Sheriff's Office maintains a "Final Action Report" that lists the disposition of all internal investigations.

The terms used in the Final Action Report to describe the disposition of the matter are defined as follows:

**Exonerated** – The internal investigation determined that the alleged actions occurred but were lawful and proper

**Formal Counseling** – A formal counseling session is a discussion between a supervisor and a subordinate in which the subordinate's behavior and necessary

improvements are brought to the employee's attention. Formal counseling is not discipline.

**Information – Letter Sent** – A review by Internal Affairs showed that an investigation was not warranted. The complainant was sent a letter advising of this. No discipline or formal counseling is imposed on the officer.

**Information Only** –The internal investigation did not result in a formal summation. No discipline or formal counseling was imposed on the officer. A record of the matter is maintained by JSO for documentation purposes only.

**Not Sustained** –The internal investigation determined that there was insufficient evidence available to prove or disprove the allegation.

**Supervisor Referral – Letter Sent** -- A review by Internal Affairs showed that a formal investigation by JSO IA was not warranted. However, the Watch Commander is sent the information informally to review and discuss with the officer. The Watch Commander is also responsible for contacting the complainant. The Watch Commander has the option of formally investigating the matter or not.

**Sustained** –The internal investigation determined that there was a violation of agency rules and/or regulations.

**Unfounded** –The internal investigation determined that allegations are false or not supported by the facts.

## **SCHEDULE C REQUIREMENTS FOR PAY ADVANCEMENT**

The JSO Human Resources Division Director shall submit in writing to the City's Director of Employee Services the advancement in salary of each employee who has met the requirements for pay advancement as provided herein. Provided the following conditions are met, the employee's advancement through the steps of the Pay Grade to which assigned shall be automatic, beginning on the first day of the first pay period following completion of one (1) year of continuous service subsequent to his/her date of employment if the following conditions are met:

**Conditions:**

- (1) The employee is in good physical and mental health capable of performing the duties of a Police Officer. (See Article 27, Physical Ability Testing)
- (2) The employee's performance in the job is satisfactory for the year prior to advancement to the next step.
- (3) If the performance of the employee is not satisfactory or his/her health is such that he/she cannot perform his/her duties, the step increase may be

delayed for a period of six (6) months at which time, his/her performance will be reevaluated. If his/her performance has not improved substantially, the delay can be extended for another six (6) months for another evaluation. This process will be repeated until the employee's performance improves to the required standard. Injury on duty will not be a satisfactory reason to preclude advancement.

- (4)** The employee will be advised in writing as to the reason his/her step increase was denied; and if the employee does not agree, he/she may use the grievance procedure which will be inserted at Step II or may file a grievance with the Civil Service Board.
- (5)** All recommendations for salary advancement within grade shall bear the approval and recommendation of the employee's Activity Supervisor and Commanding Officer.
- (6)** Those employees eligible to receive steps shall have their time of service calculated based on their years of continuous service as a sworn Police Officer or Police Recruit with the Office of the Sheriff.
- (7)** Requirements for advancement within the pay grades of the Pay Plan as specified in the above procedures shall require continuous, satisfactory service with the Office of the Sheriff.

**A-3.3** Employees who work a Monday through Friday work week shall observe holidays as set forth annually in the City Employee Services Directive on that subject.

There will be a double indemnity clause for accidental death for those employees covered by this Appendix. Benefits may be reduced at age 70 to 65% of the benefits.

## ARTICLE A-8: MANAGEMENT RIGHTS

**A-8.1** It is the right of the **Employer** to determine unilaterally the purpose of each

of its constituent agencies, set standards of service to be offered to the public, and exercise control and discretion over its organization and operations, including the right to subcontract. It is also the right of the **Employer** to direct its employees, take disciplinary action, and relieve its employees from duty because of lack of work or for other legitimate reasons, provided, however, that except as otherwise provided in this Agreement, the exercise of such rights shall not preclude employees or their representatives from raising grievances, should decision on the above matters have the practical consequences of violating the terms and conditions of this collective bargaining agreement.

- A-8.2** Whenever it is determined that Civil Emergency conditions exist, including riots, civil disorders, hurricane conditions, or similar catastrophes, the provisions of this Agreement may be suspended by the Mayor and/or the Sheriff during the time of the declared emergency provided that wage rates and monetary fringe benefits shall not be suspended.

Leave of absence granted for military training may not exceed 240 working hours in a fiscal year.

## **ARTICLE A-10: MISCELLANEOUS PROVISIONS**

- A-10.1** In any suit, legal action or proceeding, wherein an eligible employee is sued for damages, compensatory and/or punitive, which arises from his/her official duties, the **Employer** will provide legal counsel in accordance with Section 111.07, Florida Statutes.
- A-10.2** It is understood and agreed that eligible employees shall furnish notification, in writing, of their intent to file suit in any court of law, to the Office of the Sheriff, not less than five (5) days before the actual filing date, provided that said law suit affects or is connected in any manner with the **Employer**.
- A-10.3** When an eligible employee is involved in an accident with any vehicle owned, leased, or rented by the **Employer**, and said accident is a result of equipment failure or defect, unconnected with any misconduct of the employee, the eligible employee shall not be held accountable by the **Employer** for the accident or results thereof. Any alleged equipment failure or defect must be reported at the time of the accident and included in the vehicle defect section of the report.

Neglect by the employee in failing to present the vehicle for proper maintenance will nullify all provisions of this section.

## **ARTICLE A-11: DISCHARGE AND DISCIPLINE**

- A-11.1** Temporary Sworn Bailiffs shall not be subject to Part 3 Chapter 37 Ordinance Code and may not file a grievance to challenge disciplinary action, but may challenge discharge only through the system provided in this article.
- A-11.2** Temporary Sworn Bailiffs are at-will employees and may be separated from employment by the Sheriff at any time and for any reason. A terminated employee who believes that he/she has been stigmatized by his/her dismissal may receive a Name-Clearing Hearing from the City's Director of Employee Services upon written request submitted within ten (10) calendar days of the dismissal.

## **ARTICLE A-12: ALCOHOL & DRUG ABUSE POLICY AND PROCEDURES**

### **A-12.1 Mutual Agreement**

The **Employer** and the **F.O.P.** agree to the promotion of a drug-free workplace through fair and reasonable drug testing methods for the protection of the City of Jacksonville and its employees. The drug and alcohol testing policy of the Jacksonville Sheriff's Office is a proactive approach to a potentially serious problem facing all members of society.

The parties further agree that drug use and alcohol abuse have serious adverse effects upon users in the work force resulting in the loss of productivity, posing a threat to the workplace and to public safety and security. Maintaining a healthy and productive work force and safe working conditions free from the effects of drugs and alcohol are goals of both the **Employer** and the **F.O.P.** The parties recognize that drug use creates a variety of workplace problems, including increases in on-the-job injuries, in absenteeism, and in the financial burden on health and benefit programs. Criminal justice work requires, and the safety of the public demands, optimum mental and physical functioning of employees at all times. In the interest of public safety, the Jacksonville Sheriff's Office has a responsibility to monitor employees' use and abuse of controlled substances and other drugs/medicines.

Employees who believe that they may be abusing drugs are encouraged to contact the Employee Assistance Program for help in overcoming this problem.

## A-12.2 Definitions

- A. "Alcohol abuse" means the use of alcohol or alcoholic beverages, on or off duty, which impairs or otherwise adversely affects the employee's ability to perform his/her job duties. Using or being under the influence of alcohol or alcoholic beverages on the job by City employees is strictly prohibited.
- B. "Drug abuse" means the ingestion of any controlled substance as defined in Section 893.03, Florida Statutes, as amended from time to time, not pursuant to a lawful prescription. The **F.O.P.** may submit recommendations for the improvement of said uniforms or equipment; however, these recommendations are not binding upon the **Employer**.

### **B-9.3 Damage to Employee-owned Property**

The **Employer** will pay to repair or replace covered personal property that is damaged while the employee is on duty, so long as the loss or damage did not result from the employee's negligence. Payments shall be subject to the conditions set forth below:

#### **A. Covered Personal Property**

Covered personal property shall be defined as that property

necessary for the performance of the employee's official duties including non-uniform clothing, watches, prescription eye glasses/contact lenses and prosthodontics. It shall not include telephones, pagers, or electronic devices. With the exception of watches, jewelry is not covered personal property.

## **B. Payments**

The **Employer** will make the determination to either repair or replace damaged or lost covered personal property based upon the relative costs of repair and replacement. Claims must be supported by reasonable proof of loss or damage, and documentation of cost, and shall be subject to the claims-processing procedures established by the Sheriff.

- (1) Payments authorized by this provision shall be reduced by the amount of any insurance reimbursement received by the employee for the loss or damage to the covered property.
- (2) Payments under this provision shall not exceed two hundred fifty dollars (\$250.00) except that repair or replacement of watches will be limited to one-hundred dollars (\$100).
- (3) The **Employer** shall make every reasonable effort to make payments authorized under this Section within thirty (30) days of the employee's submission of a claim

### **B-9.4 Damage to Employer Property**

When **Employer** property is damaged, destroyed, or lost as a result of an employee's negligence, carelessness, or failure to take reasonable steps to secure the property, the employee shall pay the cost of repair or replacement, up to a maximum of \$400, per incident, subject to the conditions set forth below.

- A.** For purposes of this section, "negligence" and "carelessness" do not include inattention caused by the employee's immediate need to perform official duties and responsibilities.
- B.** Examples of failure to take reasonable steps to secure property include but are not limited to: leaving the property unattended in an unsecured location such as an open car or unlocked building.

## ARTICLE B-10: COMPREHENSIVE DRUG AND ALCOHOL ABUSE POLICY AND PROCEDURES

### B-10.1 Mutual Agreement

- A. The **Employer** and the **F.O.P.** agree to the promotion of a drug free workplace through fair and reasonable drug testing methods for the protection of the City of Jacksonville and its employees. The drug testing policy of the Jacksonville Sheriff's Office is a proactive approach to a potentially serious problem facing all members of society. Within the limitations, as outlined in this Article, employees found to have drug abuse problems will be encouraged to participate in an employee assistance program or a rehabilitation program.
- B. It is further agreed that drug use has serious adverse effects upon users in the work force resulting in the loss of productivity, posing a threat to the workplace and to public safety and security. Maintaining a healthy and productive work force and safe working conditions free from the effects of drugs are the goals of both the **Employer** and the **F.O.P.** It is understood that drug use creates a variety of workplace problems, including increased injury on the job, increased absenteeism, and increased financial burdens on health and benefit programs. Criminal justice work requires and the safety of the public demands total mental and physical functioning of employees at all times. The Jacksonville Sheriff's Office has a responsibility in the interest of public safety to monitor the use and abuse by employees of controlled substances, and other drugs/medicines.
- C. The **Employer** has established drug testing standards to balance the interests of the **Employer**, employees, and the welfare of the general public through a fair, confidential, and accurate drug testing program.
- D. Employees who feel that they are abusing drugs are encouraged to contact the Employee Assistance Program for help in overcoming this problem. Normal agency benefits such as the Employee Assistance Program, appropriate leave, and the group medical plan are available to aid in the rehabilitation process. Staff assigned to the Employee Assistance Program will support employees in this process by providing referral to the appropriate agency suited to address the particular need of the employee.
- E. The sale, purchase, transfer, use, or possession of illegal drugs, or drugs obtained illegally, is a violation of state and federal criminal

statutes and, therefore, may result in termination. Use or being under the influence of alcohol while on duty presents a danger to the public, to the officer involved, and to other officers, and therefore, may result in termination.

- F.** In order to maintain the integrity of the Jacksonville Sheriff's Office and to ensure public safety, the Jacksonville Sheriff's Office requires that all employees shall not:
- (1)** Abuse legal drugs;
  - (2)** Sell, purchase, transfer, use, or possess illegal drugs, or drugs obtained illegally;
  - (3)** Report for work and/or use Sheriff's Office equipment while under the influence of a legal drug taken as a medication to the extent that job performance would be affected.

### **B-10.2 Discussion**

- A.** Drug screening provides management with a method to assist in the detection of a possible problem so that it may be dealt with in the proper manner.
- B.** Drug screening of Sheriff's Office employees is a deterrent to their becoming involved with drugs. Additionally, it assists management in its efforts to detect drug problems within the Sheriff's Office. Drug screening provides an avenue for identifying a specific problem associated with drug use/abuse.
- C.** Personnel are cautioned that drug screening is not an absolute indicator of drug use. It is a single indicator that must be combined with other information before a final determination is made. The drug screening program is interwoven with established Sheriff's Office policy as it is affected by administrative procedures, internal investigations, Law Enforcement Officers' Bill of Rights, criminal investigations, etc. The final determination (e.g. no action, disciplinary action, treatment or termination) is based on an accumulation of information and is consistent with the best interest of the Sheriff's Office and the employee.

### **B-10.3 Definitions**

- A. **Controlled Substance**** - Any of the substances named in Schedules I through V of Section 893.03, Florida Statutes, and any "designer drugs" that may hereafter be proscribed by law and which are subject to manufacturing, distribution, preparation, dispensation, and administrative controls.

- B. Employee Assistance Program** - A confidential program designed to assist employees and their families with a multitude of problems that may affect the employee's work performance. Employees may volunteer for the program or be referred to it by their supervisors.
- C. Confirmation Test** - An additional analytical procedure used to identify the presence of a specific drug or metabolite in a specimen. The confirmation test must be different in scientific principle from that of the initial test procedure. The confirmation method must be capable of providing requisite specificity, sensitivity, and quantitative accuracy.
- D. Illegal Drug** - Any drug or substance, including controlled substances, the possession of which without a prescription is defined as a violation of state or federal statutes; or any prescription drug that was not prescribed to the affected employee by a person licensed to issue such prescription.
- E. Legal Drug** - Any prescription medication or any over-the-counter medication that has some medicinal value/purpose and is being used by the person for whom it was prescribed.
- F. Substance Abuse** - The excessive or erratic ingestion, consumption, inhalation, or injection of any illegal drug or legally obtained drug or medicine not in prescribed amounts or at proper time intervals.
- G. Use of Drugs** - The injection, inhalation, ingestion, or consumption of any drug, whether prescription or non-prescription, or any controlled substance as defined under Florida law.
- H. "Under the Influence"** - A condition in which employees are unable to appropriately perform their duties because of the use of any drug, controlled substance, or alcohol. Employees shall be deemed to be under the influence if they are physically or mentally impaired and/or unable to perform their duties in an acceptable manner.

#### **B-10.4 Responsibility for Reporting Legal Drug Use**

- A.** Sheriff's Office employees using drugs or therapeutic treatments prescribed by a physician or other authorized health practitioner shall determine from the prescribing person whether the treatment prescribed has any effects which may interfere with the performance of their duties. If the treatment prescribed has such effects, employees shall inform their supervisors of that fact.
- B.** Any Sheriff's Office employee using legal over-the-counter non-prescription drugs which in any way impair or affect his/her job

performance is responsible for bringing this fact to the attention of his/her immediate supervisors on Form P-004. Information relating to the use of over-the-counter drugs can be removed at the request of the employee after it has been in the medical file for six (6) months, unless the usage of such medication is part of on-going treatment.

- C. The supervisor of any employee, upon being informed that such employee is using over-the-counter or prescription drugs which could interfere with the performance of his/her duties shall make further inquiries to determine whether the employee is fit to perform those duties. Upon consultation with his/her commanding officer, the supervisor will decide whether the employee is fit for duty. If unfit, the employee shall be placed on personal leave. Should the employee and the commanding officer not concur on the ability of the employee to perform his/her duties, the department staff duty officer will make the final determination. Information regarding the use of legal drugs being taken by an employee will be forwarded to the JSO Human Resources Division where it will be maintained in a confidential medical file.
- D. All Sheriff's Office employees have an obligation to inform a supervisor or ranking officer if another employee is using drugs in violation of the law or Sheriff's Office Rules and Regulations.
- E. If any employee knowingly ingests any drug in the performance of his/her duties, the supervisor on duty will be immediately notified and the incident reported on Form P-004. The supervisor will see that the employee is provided with immediate medical attention if necessary. The employee will be placed on an appropriate duty status. The incident will be documented with the initiation of Form P-004 to be followed by a detailed report from the employee's commander through channels to the Sheriff. Every effort should be made to avoid such ingestion. Unless employees' lives are endangered, they will refrain from the consumption, ingestion, injection, or inhalation of a substance which may either physically or mentally be dangerous to employees.
- F. Employees knowingly subjected to the passive inhalation of a drug, such as marijuana, will submit a Form P-004 to the supervisor on duty. The report will indicate the substance the individual was exposed to, the period of time exposed, and give a brief statement explaining the necessity for the exposure. The report will be forwarded to the Sheriff for review.

#### **B-10.5 Drug Screening Program**

- A. The **Employer** shall post a notice of the department's drug testing

policy on bulletin boards in areas that are accessible to employees.

- B.** Urine testing of employees can be an effective means by which to identify those in need of counseling, treatment, or disciplinary action. The testing program is intended to supplement, not replace, other means by which the use of drugs can be detected.
  
- C.** Employees will be required to participate in the drug testing program under the following conditions:
  - (1)** When there is a reasonable suspicion that an employee is using, under the influence of or in possession of illegal drugs, or is using or under the influence of alcohol while on duty, or that the employee is abusing alcohol or illegal drugs and the abuse either adversely affects his/her job performance or represents a threat to the safety of the employee, coworkers, or the public. Reasonable suspicion drug/alcohol testing can be ordered by any supervisor with the approval of a commanding officer. An immediate supervisor requesting a drug/alcohol test founded on reasonable suspicion should consider among such facts and inferences:
    - (a)** Observable behavior while at work, such as direct observation of drug/alcohol use or of the physical symptoms or manifestations of being under the influence of a drug/alcohol.
    - (b)** Abnormal conduct or erratic behavior while at work or a significant deterioration in work performance.
    - (c)** A report of drug/alcohol use provided by a reliable and credible source which has been independently corroborated with observable behavior.
    - (d)** Evidence that the employee has tampered with a drug/alcohol test during his/her employment with the **Employer**.
    - (e)** Information that an employee has caused or contributed to an accident while at work combined with observable behavior indicating the possibility that drug/alcohol usage may be involved.
    - (f)** Evidence that an employee has used, possessed, sold, solicited, or transferred drugs, or used or been under the influence of alcohol, while working or while on the **Employer's** premises or while operating the **Employer's**

vehicle, machinery, or equipment.

- (2) Following a serious accident or incident in which safety precautions were violated or unusually careless acts were performed and there is reasonable suspicion to believe these actions were the result of using drugs.
- (3) **Routine fitness for duty:** The **Employer** will require a drug test any time an employee is referred to a physician or psychologist for a fitness for duty examination.
- (4) **Random Drug Testing Program:** As part of the Sheriff's Office random drug testing program Judicial Officers will be randomly assigned a number that will be the only source identifying the individual submitting a sample for drug testing.
- (5) **Follow-up testing:** Should an employee in the course of employment enter, or be required by the **Employer** to enter, into an employee assistance program for drug-related problems, the **Employer** may require the employee to submit to a drug test as a follow up to the program for up to two (2) years thereafter.
- (6) When an employee is found in possession of illicit drugs or when illicit drugs are found in an area controlled or used exclusively by the employee.
- (7) Prior to completion of an employee's probation.
- (8) As part of a rehabilitation program (mutually agreed to by the affected employee and the Sheriff's Office Administration).
- (9) As a result of prior disciplinary proceedings against the employee related to the use of drugs. (Such testing shall be conducted by the Internal Affairs Unit with the approval of, and in coordination with, the JSO Chief of Human Resources). The **Employer** may require the employee to submit to a drug test as a follow up to the disciplinary action for up to two (2) years thereafter.

## B-10.6 Procedure for Testing

### A. Drug testing responsibility

- (1) The JSO Human Resources Division shall be responsible for drug testing of probationary Judicial Officers and employees selected through the random drug testing program.

- (2) The Internal Affairs Unit shall be responsible for drug testing of any employee whom it reasonably suspects has used or is found to be in possession of a drug, or other controlled substance in violation of the law, Sheriff's Office orders, and rules and regulations. The Internal Affairs Unit shall also conduct section B-10.5(C)(5) follow up drug testing of employees and section B-10.5(C)(8) rehabilitation drug testing.

## **B. Confidentiality**

- (1) All information, interviews, reports, statements, memoranda, and drug test results, written or otherwise, received by the **Employer** through a drug testing program are confidential communications.
- (2) The release of information obtained through any of the drug testing programs shall be solely pursuant to a written consent form signed voluntarily by the person tested except where such release is compelled by a hearing officer, a court of competent jurisdiction, pursuant to an appeal taken under this section, or when required by management to determine whether to conduct a formal investigation or take disciplinary action, or for a departmental Disciplinary Hearing Board, arbitration, or Civil Service Board proceeding. Drug testing information shall also be released to the Bureau of Criminal Justice Standards and Training for the purpose of reviewing certification eligibility.
- (3) Any employee authorizing the release of drug testing information must submit a signed communication to the JSO Chief of Human Resources advising:
  - (a) The name of the person who is authorized to obtain the information,
  - (b) The purpose of the disclosure,
  - (c) The precise information to be disclosed, and
  - (d) The duration of the consent.
- (4) The **Employer** may use drug test results when consulting with legal counsel in connection with actions brought under or related to this section or where the information is relevant to the **Employer's** defense in a civil or administrative matter.

**B-10.7 Testing Procedures**

- A.** The **Employer** shall pay the cost of all drug tests which are required of employees. Employees shall pay the costs of any additional drug tests not required by the **Employer**.
- B.** Prior to taking a drug test, employees must advise the **Employer** of any prescription or non-prescription medications they are taking. The **Employer** will provide information to the employee of the most common medications by brand or common name which may alter or affect a drug test. Employees will also be advised of all drugs for which the **Employer** will test, described by brand or common names, as applicable, as well as by chemical names. Information regarding the use of prescription or non-prescription drugs taken by the employee will be presented in a written communication that will be maintained in a confidential medical file in the JSO Human Resources Division. The ingestion of any prescription or non-prescription drug by an employee shall not preclude the administration of the drug test, but shall be taken into account in interpreting any positive confirmed results.
- C.** Individuals responsible for conducting drug tests are acting under the direct authority of the Sheriff. Employees being tested shall cooperate fully. Any attempt to alter or tamper with the specimen, its container, or any mechanical device, instrument, or document by any individual is grounds for termination and/or prosecution under applicable Florida Statutes.
- D.** The **Employer** will establish guidelines for the collection of drug test samples that will afford protection to the employee to include:
  - (1)** Specimens shall be collected with due regard to the privacy of the individual providing the specimen and in a manner reasonably calculated to prevent substitution or contamination of the sample.
  - (2)** Specimen collection shall be documented and the documentation procedures shall include:
    - (a)** Labeling of specimen containers to reasonably preclude the likelihood of erroneous identification of test results.
    - (b)** Specimen collection, storage, and transportation to the testing site shall be performed in a manner which will reasonably preclude specimen contamination or adulteration.
    - (c)** The **Employer** shall use a chain of custody procedure to

ensure the proper record keeping, handling, labeling, and identification of all specimens to be tested.

- E. When an employee is required to provide specimens for a testing procedure, the employee shall provide one (1) specimen (large enough to be divided into two (2) separate samples at the time of collection in order to facilitate the testing procedures).
- F. The threshold level or cut-off limit of the analytical testing procedures shall be established in accordance with the State of Florida Agency for Health Care Administration in conjunction with the standards developed by the Substance Abuse and Mental Health Services Administration (SAMHSA), regarding testing and protocol and procedures.
- G. When employees are required to participate in any of the drug testing procedures, the initial testing specimen will be subject to an EMIT (Enzyme Multiple Immunoassay Technique). If the results of the initial test are negative, no further testing will be done.
  - (1) Employees selected for random drug testing will be assigned a number which will be the only means available of identifying the individual who provided the specimen.
  - (2) Random numbers assigned to employees will be maintained in a confidential file under the direct supervision of the JSO Chief of Human Resources.
  - (3) Specimen collection will not be taken at any of the correctional housing facilities and the specimen container will not reveal the name of the contributing employee.

The **Employer** will use the Evidential Breath Testing Device (EBT) to test for the presence of alcohol in an employee's system. The test will be performed by a Certified Breath Analyzer Technician (BAT) using a EBT approved by the National Highway Safety Administration. If the initial test registers an alcohol concentration of 0.02 or greater, a confirmation test will be performed. The employee will be placed in a separate room under the observation of the BAT for at least 15 minutes, but not more than 20 minutes, after which he/she will be given a confirmation EBT.

- H. Random drug testing conducted by the **Employer** may occur before, during, or immediately after the regular work period of the employee, and shall be compensated in accordance with these guidelines.
- I. The Internal Affairs Unit shall be called whenever one or more of the circumstances described in Article B-10(A)(2) comes to the attention of members of the Sheriff's Office.

- (1) Once called, the Internal Affairs Unit shall have complete authority over the investigation.
- (2) The employee shall be advised in writing of the reason(s) for the order to submit to the test and that failure to do so constitutes failure to obey a direct order.

#### **B-10.8 Results of test**

- A. If the results of the initial test are positive, the **Employer** will submit the sample for a confirmation test using a GC/MS (Gas Chromatography/Mass Spectrometry) test or other method specified by DHHS Guidelines to verify the initial test results that will be conducted by an outside licensed laboratory capable of supplying an analysis of drug content. When a confirmation test is necessary, the **Employer** will ensure the proper storage and transportation of the specimen to a licensed laboratory for processing.
- B. After receipt of a positive confirmed test result from the MRO, the **Employer** shall inform the employee of the positive test result, the possible consequences of such results, and the options available to the employee.
- C. The **Employer** shall provide to the employee, upon written request, a copy of the confirmation test results.
- D. All reports of positive test results shall be received by the JSO Chief of Human Resources and maintained in a confidential medical file.

#### **B-10.9 Disciplinary Procedures**

- A. Any employee who refuses to submit to a drug test or whose confirmation drug test is found to be positive is subject to disciplinary action. Such disciplinary action is subject to the grievance procedures provided for through Article 9 of this Agreement and the Civil Service and Personnel Rules and Regulations.
- B. The employee may be either immediately suspended or reassigned pending the results of the confirmation test for the use of illegal drugs.
- C. Positive confirmation tests for illegal drugs shall result in the immediate suspension of an employee which may be followed by termination proceedings. In appropriate cases, every effort will be made to help the employee deal with a legal drug problem by proper referral to the Sheriff's Employee Assistance Program. However, if this effort fails or is obviously inappropriate given the

nature of the problem, appropriate disciplinary action shall be initiated.

- D.** The **Employer** may discipline or discharge an employee on the sole basis of the employee's first positive confirmed drug test when the employee has either refused to participate in an employee assistance program or a drug rehabilitation program, as evidenced by withdrawal from the program before its completion, or a report from the program indicating unsatisfactory compliance; or by a positive test result on a confirmation test while participating in or after completion of the program.
- E.** The **Employer** shall discipline an employee, subject to termination proceedings, who has failed or refused to sign a written consent form allowing the **Employer** to obtain information regarding the progress and successful completion of an employee assistance program or a drug rehabilitation program.
- F.** Employees participating in an employee assistance program or a drug rehabilitation program may be considered as being in a temporary limited duty status.
- G.** The **Employer** shall not discharge or discipline an employee solely upon voluntarily seeking treatment, while under the employ of the **Employer**, for a drug-related problem if the employee has not previously tested positive for drug use, entered an employee assistance program for drug-related problems, or entered a drug rehabilitation program. However, the **Employer** shall terminate an employee when the presence of illicit drugs is confirmed. Employees who have been tested may not use this aspect of these guidelines as a means of protection from disciplinary action.

**B-10.10 All laboratory reports of a drug test shall include:**

- A.** The name and address of the laboratory which performed the test and the positive identification of the person tested (not the employee's social security number), or if applicable, the random number.
- B.** Positive results of confirmation tests.
- C.** A list of the drugs for which the drug analyses were conducted.
- D.** The type of tests conducted and the minimum cut-off levels of the tests.
- E.** Any correlation between medications reported by the employee and the confirmation test results.
