EMPLOYEE & RETIREE INFORMATION – PLEASE READ

Dear Employee or Retiree of the City of Jacksonville:

City Employees are a very special group of people who have been instrumental in making the City of Jacksonville what it is today! The Association was organized to provide an association for persons who receive or will receive a retirement check from the City of Jacksonville and to **protect** and **improve** the benefits to which you are entitled.

We hope that you will consider joining the Retired Employees Association and become actively involved in our organization.

Our Membership meetings are held quarterly on the third Thursday of March, June, and September. We also enjoy a Christmas Party/Annual Meeting held in December each year. We also try to have two social events, a Barbeque in the spring, and a Fish Fry in the fall each year.

The Association has a representative on the General Employees Board of Trustees and the Pension Advisory Committee on the General Employees and Police and Fire Pension Funds. These positions are very important in that we have the opportunity for input and to assure the stability of the Pension Funds.

There is an application for you to fill out for **payroll deduction** of \$1.00 per pay day or you may choose **annual pay** which is billed in January each year. Further information may be obtained by calling the office of the **Retired Employees Association at 904-353-2400.**

After you have applied for membership, you will receive a newsletter every three months giving pertinent information on Legislative and other matters important for current employees, retirees and beneficiaries of the City of Jacksonville. The newsletters will also give information on meeting dates and any socials planned for the members of the Association. You may also reach us through our website www.reajax.com.

We look forward to hearing from you and receiving your form for becoming a member of the REA!

Eric Smith
President

Representing over 2500 Pensioners in the General Employees and Police & Fire Pension Plans
