Adaptive Recreation

Minutes*

Tuesday April 2, 2019 Meeting, Disabled Services Conference Room C

Members Present: Ray Pringle, Natalie Alden, Walter Johnson, Karen Prewitt, Barbara Brown, Jose Morales, Dan O'Connor

Disabled Services Staff Present: Kevin McDaniel, Lois Smokes, Jimmy Smith, Mack Blanton

Community Present: Denis Thompson

In Attendance: The Chair called the meeting to order at 12:31 p.m.

Karen Prewitt called the meeting to order.

Kevin McDaniel provided an overview of the Evaluation document sent to the committee and asked the committee for suggestions in questions to submit to agencies.

The committee suggestions questions should include current funding levels, capacity to deliver services, use of City facilities, resources, and how services were currently being provided. The committee suggested questions should be submitted with multiple choice options to ensure evaluation can be processed properly.

The committee suggested transportation should be incorporated into questions (currently provided and if not, how?).

Denis Thompson stated that underutilization could be an issue and stated that additional consideration should be given to the capacity that an organization has to deliver new services based on the resources they have currently.

The committee suggested that two surveys be provided, one for citizens to collect information about interests, and separate survey for organizations that provide services.

The committee suggested that organizations that do not provide adaptive recreation services should be engaged at some point in the process to identify resources that may be available to provide services.
