2018

Indoor Programs

Florida's Ancient Animals

Join us for a discussion of the animals that lived in prehistoric Florida, in celebration of National Fossils Day. We'll examine replica teeth from Mammoth, Mastodon and Megalodon.

Spiders!!

See and learn more about these ancient yet misunderstood arachnids. Living and non-living specimens will be viewed.

Nature Discovery

This program is an open discussion and presentation of the animals and displays inside the Nature Center.

For information on programs or to schedule field trips, please Call [\(904\) 573-2498](tel:9045732498) or email Schubert@coj.net

Please note that programs may be cancelled due to unforeseen circumstances.

Outdoor programs are presented weather permitting.

Outdoor Programs

Bike Hikes

Join these leisurely nature - based rides along the Jacksonville-Baldwin Rails to Trails. Bring your own bikes. Riders age 16 and under must wear helmets.

Outdoor Observations

Exercise your powers of observation as we take a closer look at nature while on a guided walk.

Trail Walk

Leisurely explore various trails in Northeast Florida with a guided tour.

Wildflower Walk

Join a parks naturalist as we seek out seasonal wildflowers.

Discovery Walk

Join a parks naturalist for a leisurely walk highlighting our preserves.

Hike into History

Join a parks naturalist for a walk and learn about the area's Civil War history.

Guided Walk

Join us for a leisurely guided walk on the Tower Trail. Weather permitting.

Beach Walk and Talk at Huguenot Memorial Park

Set out on a guided tour of Huguenot Memorial Park and portions of the Great Florida Birding Trail.
