

Hiking & Bike Trails

Hanna Park offers some of the most scenic and popular trails in Northeast Florida. More than 13 miles of off-road bike trails have something to offer to all skill levels, including the more challenging bike trails characterized by lots of tight turns, short hills and exposed roots. Direction of travel on bike trails changes by day of the week; be sure to follow the posted signs. The park also offers four miles of scenic hiking trails that meander through the maritime forest with majestic live oaks draped in Spanish moss that are enjoyed by both nature lovers and trail runners.

RELAX.
PLAY.**

Playscape & Zipline

The playground at Hanna Park is a themed natural playscape centered around a large, custom treehouse. The treehouse is home to hidden squirrels, owls and bears and offers slides, climbing, spinners and a hideout. The playground also features a large spider net, spinning mushroom, fish climber, tree logs, tree stumps and swings. A zipline between the trees with views of the splash pad rounds out the fun at Hanna.

Adaptive Kayaking

At Hanna Park, we make kayaking a reality for people of all abilities, including people recovering from stroke, traumatic brain injury, spinal cord injury, and amputees. Our American Canoe Association (ACA) instructors are trained and certified in the skills, techniques, and equipment to get you on the water. Adaptive equipment and services are included with standard rental rates at no additional charge.

Campground

The campground at Hanna Park includes 300 sites set in a wooded area that is easily accessible by paved roads. RV, tent and rustic cabin camping are available.

Dolphin Plaza

Dolphin Plaza is a 2,000-square-foot facility with an incredible oceanfront view, ideal for family reunions, wedding receptions or corporate outings. This venue has a seating capacity up to 125 persons.
