WHEREAS, in 1985, the Florida Legislature amended Section 336.025, *Florida Statutes*, to add a new paragraph (d), which allowed governments, which like Jacksonville, were already levying a local-option gas tax, to do so for up to thirty (30) years; and

WHEREAS, pursuant to Ordinance 85-793-824, the City levied a six-cent (\$0.06) local-option gas tax (upon every gallon of motor fuel and special fuel sold in the General Services District and taxed under provisions of Chapter 206, *Florida Statutes*) for the ten (10) year period September 1, 1986 through August 31, 1996 (as extended, the "Six-Cent Local Option Gas Tax"); and

WHEREAS, in 1987, the Florida legislature removed any mention in regard to a particular date (for example June 18, 1985) by which counties had to have been levying a local-option gas tax, and allowed counties to simply extend the gas tax in multiyear increments; and

WHEREAS, the City by Ordinance 1991-819-411, extended the Six-Cent Local Option Gas

Tax in 1991 to cover a thirty (30) year period from August 31, 1996 to August 31, 2016, thereby establishing a combined collection period totaling thirty (30) years; and

WHEREAS, Ordinance 2000-671-E, as amended by Resolution 2003-512-A and Ordinance 2005-898-E, approved an interlocal agreement between the City and Jacksonville Transportation Authority (as amended, the "BJPI Interlocal Agreement"), which appropriated the proceeds of the Six-Cent Local Option Gas Tax to JTA subject to certain limitations and restrictions; and

WHEREAS, pursuant to Ordinance 2013-820-E, the City approved the reissuance of the Six-Cent Local Option Gas Tax from September 1, 2016 through August 31, 2036 and authorized that certain interlocal agreement between the City and Jacksonville Transportation Authority dated July 29, 2014 (the "2014 Interlocal Agreement"), which amended and supplemented the BJPI Interlocal Agreement to set forth certain projects to be funded from proceeds of the Six-Cent Local Option Gas Tax to JTA; and

WHEREAS, pursuant to Ordinance 2021-202-E, the City has reissued the Six-Cent Local Option Gas Tax from September 1, 2036 through August 31, 2046; and

WHEREAS, also pursuant to Ordinance 2021-202-E, the City has authorized and levied the additional five cents (\$0.05) of local option gas tax authorized pursuant to Section 206.41(1)(e), *Florida Statutes* (the "Fifth-Cent LOGT"), and the "ninth-cent" fuel tax authorized under Section 206.41(1)(d), *Florida* Statute (the 9th-Cent LOGT"); and

WHEREAS, JTA Resolution ______, authorized this Agreement; and WHEREAS, the City and JTA desire to enter into this Agreement to (i) accompany and

complement the BJPI Interlocal Agreement as supplemented and amended by the 2014 Interlocal Agreement, (ii) address the allocation of the extended Six-Cent Local Option Gas Tax and additional five-cent (\$0.05) Local Option Gas authorized pursuant to Section 206.41(1)(e), *Florida Statutes*, and the 9th-Cent LOGT, (iii) to modify the Joint Committee structure as set forth in the 2014 Interlocal Agreement to align with Ordinance 2021-202-E; and (iv) to add the Additional JTA Projects as defined herein to the list of projects to be financed by the JTA portion of the Six-Cent Local Option Gas Tax.
