

Regulatory Compliance Department/Municipal Code Compliance Division

[Division Website](#)

Vision

The abatement of public property nuisances provides a special benefit to properties in the form of added use and enjoyment, which further enhances the value of properties.

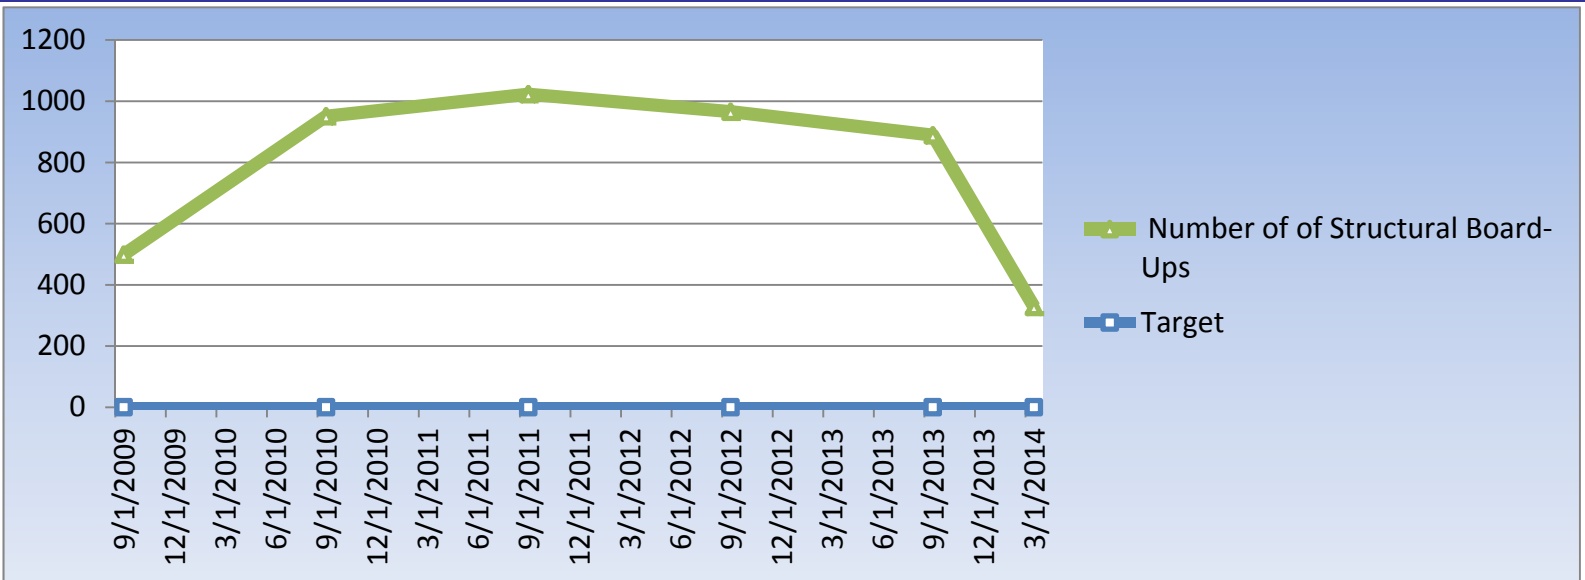

Mission

To abate unsecured vacant buildings or dwellings (windows and/or doors open or broken), which threaten and endanger public safety and create a blighting influence upon the community. Boarding-up of such nuisances secures buildings from vagrancy and assists with the protection of current housing stock.

Narrative

This category represents any vacant and unoccupied buildings with doors, windows or other openings that are broken or missing, so as to allow access to the interior and are thus not secured in compliance with local codes.
