

## Office of Economic Development

[jaxdevelopment.org](http://jaxdevelopment.org)

### Vision

The Office of Economic Development (OED) will be the leading economic development entity in the State of Florida. OED will be a results-focused, catalytic and collaborative organization that is responsive, customer-focused, transparent and ethical.

### Mission

- Attract Private Capital
- Facilitate Job Creation
- Market & Brand City
- Be an advocate & strong partner with the region's business community
- Enhance City's Tax Base

**# of Jobs Created YTD: 468**

### City Priority

**Economic Development**

<b>Narrative</b>	The chart below details economic development projects that were approved to receive public assistance/investment in calendar years 2012 -2014. Categories include the projects, targeted industry, jobs promised to be created (typically over a three-year period), jobs retained in Jacksonville, estimated private capital investment (typically made during the first one to three years), average wage of the new jobs, and COJ bill number.
------------------	---

	Project	Industry	Jobs to be Created	Jobs Retained	PCI	Average Wage	Bill Number
