Vision

The JSEB program seeks success in creating a contracting environment in which small businesses have the opportunity to flourish.

Mission

Our mission is to maximize procurement opportunities with City of Jacksonville-certified Jacksonville Small and Emerging Businesses (JSEBs) as suppliers, prime contractors and subcontractors of superior products and services to the citizens of Duval County. We encourage the private sector and local government to aggressively engage with JSEB's to develop productive business relationships leading to economic growth for the city.

Narrative

JSEB currently offers workshops regarding financial planning, bonding, marketing, the benefits of social media, and business certification. The office has established partnerships with companies such as Wells Fargo, State Farm and BB&T to also provide workshops about financial literacy, building/establishing good credit, small business insurance, small business loans, etc. The JSEB Office also has partnerships with Small Business Development Center at UNF, Beaver Street Enterprise Center and Score.org to provide ongoing education courses for our vendors. The office has recently updated its goal from four workshops a quarter to having twelve workshops a quarter moving forward.
